VOLUME NUMBER XXXVIII. CANYON, TEXAS, THURSDAY, MARCH 29, 1934 NUMBER 2

BEER ELECTION HOLDS INTEREST SAT. BALLOTT

Large Vote Is Expected to Be Cast in County

INTEREST GAINING

Possible for 2300 Ballots to Be Cast in Election

The voters of Randall county will decide Saturday whether or not beer shall be legalized in this county.

While no intensive campaign has been put on over the county by either those favoring or those opposing beer, it was believed yesterday that if the people of the county will go to the polls and express their preference, beer will be again rejected, as it was in the special election of last August.

In the election last August, only 940 voters went to the polls. Of this number 359 voted in favor of legalizing beer, while 581 voted against beer. More than 2,000 men and women have paid their poll taxes this year. There are probably 300 in the county who are under and over the age necessary for the payment of poll taxes, which will make possible a total vote of at least 2300 if all those qualified will go to the polls Saturday.

In the election of last August, Canyon voted overwhelmingly against legalizing beer. 160 favored the proposition, while 427 voted against it. Four other voting boxes likewise voted against legalizing beer, these being Nos. 2, 3, 4 and 5. The boxes in which beer was favored were 7, 8, 9 and 13. In No. 6 the vote was a tie.

Election returns will be received Saturday at the News office and posted in order that the people may know the vote of each precinct as it comes in.

Goodnight Trail to be Marked at Historical Meet

A great meeting of the Panhandle-Plains Historical Society is expected on April 13 and plans are well under way for the occasion, according to Secretary L. F. Sheffy.

While last year the dedication and opening of the museum was the great event, this year the marking of the Goodnight Trail leading from Canyon into the depths of Palo Duro Canyon where the old Goodnight Dugout stands will be the outstanding event of the day. J. Evetts Haley of the Panhandle and of Austin will be the principal speaker in connection with the ceremonies when the marker will be placed.

Seed Loans Will Be Available To Farmers, April 2nd

The Government seed loans will be made to farmers in Randall County again this year, starting Monday, April 2nd.

These loans are made to farmers who do not have other credit available and have land on which they can give a first mortgage on crops.

The maximum that will be loaned to any one man is $250.

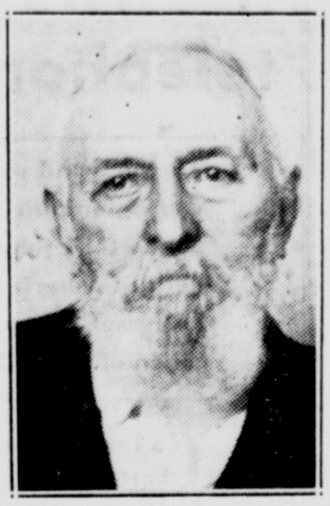
In making application for loans in amounts of $150 to $250, applicants are required to first make application to the Production Credit Association for this district (E. L. Shelton, Secretary, Nunn Building, Amarillo). If the loan is rejected by the association it can then be made by the crop loan committee. If the loan is for less than $150, it can be made by the crop loan committee without the above proceedure.

No loans will be made for increasing crop acreage or to farmers who do not co-operate with the Agricultural Adjustment Administration.

A farmer who desires to make application for a crop loan should have the following information at hand: Legal description of all land on which crops are to be mortgaged. Statement of indebtedness. Crop acreage and production for 1933. Statement of livestock and equipment owned.

CROP LOAN COMMITTEE.

W. F. Heller Celebrates 90th Birthday Saturday



W. F. HELLER

The following was written by Rev. F. T. Charlton concerning the 90th birthday of W. F. Heller.

On Saturday, March 24, William F. Heller celebrated his ninetieth birthday. The pastor and elders of the Presbyterian Church visited his home to show their love and appreciation for him.

Mr. Heller was born in Fayette County, Texas, on the 24th of March, 1845. At the age of sixteen he volunteered for service in the Confederate Army and served three years and eight months, when he was invalided because of wounds. At the close of the war he was honorably discharged.

In 1886 Mr. Heller came to the Panhandle and for a time engaged in the freighting business. In 1887 he settled on section sixty-two because it was near the center of the county and near water. This section lies about one mile southwest of the court house. He was the first nester in Randall county. That was a stormy time for nesters because the cattlemen were so bitterly opposed to having the county settled up. They wanted to keep it open for grazing. For about two years Mr. Heller carried his rifle with him when he went to the field to work. He still has that rifle. Once he helped to prepare the court house for defense because of a reported Indian raid. Fortunately the raid failed to materialize.

At that time Wichita Falls and Colorado City were the nearest railroad points. There were only two houses in the county. They were at the T-Anchor headquarters. Mr. Heller's mail came to Tascosa, and was brought over with the T-Anchor mail.

In September, 1897, he was married to Miss Susan Roberts of Jefferson City, Missouri. Since then they have shared together the many experiences that have come to them.

When Randall county was organized, Mr. Heller assisted, and was made the first County and District Clerk.

Mr. Heller always stood firmly for what was good—for morality, religion, and for law and order. He was a staunch prohibitionist and had an active part in driving saloons from Randall county; and because there were no saloons here, the College was located here.

He was a charter member of the Masonic Lodge of Canyon. When a Sabbath School was organized here, he was made superintendent, and served in that capacity for ten or twelve years. He was a charter member of the Amarillo Presbyterian Church. Later when a Presbyterian Church was organized in Canyon, he was a charter member of it, and was one of its first elders. He served as an elder until 1930 when he was honorably retired—was made "Elder Emeritus."

He has lived long and well, and enjoys the love and esteem of his neighbors and friends.

Daughter of B. A. Moore Died Friday; Funeral Saturday

Mary Ruby Moore, 10 months old daughter of Mr. and Mrs. B. A. Moore, died Friday at the family home. The funeral services were held Saturday afternoon at 4:00 o'clock at the Assembly of God Church, followed by interment in the Dreamland Cemetery.

Surviving are the parents of the child.

W. B. PARSONS IMPROVING

W. B. Parsons is resting well at an Amarillo hospital where he was taken last week following a fall at the home of his daughter, Mrs. C. A. Pierle. His hip was broken in the fall.

CORNER STONE ON PARK LODGE LAYING APR. 12

Parks Board Chairman in Visit to Palo Duro Park

PLANS INDEFINITE

No Selection Has Been Made As to Company Movements

The corner stone of the lodge at the Palo Duro State Park will be laid on Thursday, April 12. D. E. Colp, chairman of the State Parks Board, was here Saturday and Sunday and announced the plans for the ceremony. J. O. Guleke of Amarillo was appointed chairman of the arrangements committee and will have charge of the program for the day.

The Canyon Masonic Lodge will be in charge of the corner stone ceremony and will be assisted by the Masonic lodges of the Panhandle.

Governor Pat M. Neff and other members of the State Parks Board together with a large number of state officials will be invited by Mr. Colp to visit the Park on that date and to participate in the ceremonies.

So far as the immediate plans of the park are concerned, Mr. Colp was not in position to make definite announcement. He did state, however, that the choice had not been made of the companies which were to be moved, and that no choice had been made of the foremen who were to stay on the job. It was rumored last week that definite choice of 1828 and 1829 had been made to remain at the Palo Duro and that 1821 and 1824 would be moved to Brewster county.

According to present plans, all four companies will be recruited to full strength starting Monday. Work will continue on the Park until about the middle of April when two of the companies will be selected to make the move to Brewster county.

S. O. Miller, who has been a superintendent on the Palo Duro since work started last July, left yesterday to report in Austin on

(Continued on last page)

27 Books Are Added to Library Gift Mrs. Davault

Twenty-seven books have been added to the Public Library during the past week through a gift of Mrs. L. T. Davault. A list shows that the books represent a wide range of interest and will be enjoyed by a great number of the patrons of the library. This is the largest donation of books which has been made since the book shower several weeks ago.

The books Mrs. Davault gave are, Barclay, The Broken Halo; Beach, Rainbow's End; Burroughs, A Princess of Mars, Tarzan and the Jewels of Opar, Tarzan the Terrible; Thuvia, Maid of Mars; Carter, The Boy Scouts in the Rockies; Chipman, A Yankee Lad's Pluck; Churchill, The Crisis; Cox, The Dare Boys of Virginia; Crockett, Sandy; Dickens, David Copperfield, Oliver Twist; Dixon, The man in Gray; Fitzhugh, Tom Slade with the Boys Over There; Forbes, A Mirror for Witches; Gibbs, Fires of Ambition; Grey, Wanderer of the Wasteland; Hallett, The Canyon of Fools; Leslie, Caught in a Forest Fire; Patten, Great Short Stories, Vol. I, II, III. Stevenson, Dr. Jekyll and Mr. Hyde, and Wyss, The Swiss Family Robinson.

Miss Fannie Malone, the librarian states that these books are ready for circulation.

Dallas Artist To Paint Palo Duro Under ECW Work

Douthitt Wilson, Dallas artist, has been assigned to the Palo Duro State Park for the purpose of painting pictures of the wonders to be found in the canyon. He was appointed under the Emergency Conservation Work for artists. Under this plan Harold Bugbee of Clarendon and Ben Carlton Mead of Amarillo are now employed in painting murals to be placed in the Museum.

E. C. Nelson, Jr. Announces Office of District Judge

E. C. NELSON, JR.

I hereby announce my candidacy for the office of District Judge of the 47th Judicial District of Texas, composed of Armstrong, Randall, and Potter Counties. In so doing, I am fully aware of the importance and of the exacting duties of the office. The district court is the highest trial court we have. The most important cases, both civil and criminal, are tried in that court. There is practically no limit to its jurisdiction. On the civil side, cases are sometimes tried involving millions of dollars. At other times cases are tried that involve personal relations vitally significant to society at large as well as to the individuals concerned. On the criminal side, men are constantly being tried for their liberty and even for their life. Considering this fact, we may appreciate the importance of the court and the exacting requirements demanded of him who sits as judge.

A district judge should be a man of the highest honor and of unswerving integrity. He should be absolutely fair and impartial. All men should count with him, but none too much. He should be fearless. None should be so powerful as to escape the wrath of the law, and none should be so humble as to be denied its protection.

He should be a man of judicial temperament. He should have the highest concepts of justice and of public duty. No bias, no prejudice, should enter into his thinking. He should be well balanced. He should not be a radical or an extremist. He should be sane on all matters. He should not be a partisan in a civil suit. He should not be either prosecutor or defender in a criminal action. It is his duty to see that all trials are conducted fairly to all parties. It is not proper for him to bend or twist or distort the law to make it conform to his personal ideas. It is his duty to administer the law as it is. The law is always wiser than the trial judge.

A trial judge should be considerate of jurors, of witnesses, of court attendants, and of all who come into his court, remembering that he is the servant of the pub-

(Continued on last page)

State Commander of American Legion to Visit Here April 5th

COMMANDER L. VAN PERKINS

Commander L. Van Perkins of the Texas American Legion will visit Canyon next Thursday, April 5th. A luncheon is being arranged by the Palo Duro Post for the noon hour, followed by a short program.

He will visit the CCC camps at the Palo Duro State Park in the afternoon and will speak to the veterans at 7:30 at the camp.

NEW RELIEF TO START MONDAY STATE OF TEXAS

Budget Plan Will Provide Foods And Money

CWA ENDS TONIGHT

Work Improving W. T. Administration Building Continued

A complete change over from CWA to a strictly relief program will be made in Randall county starting April 2nd. Orders have been received from Austin to discontinue all work tonight, and give the local office time to complete its records before opening the new program on Monday.

J. H. Cox, Jr. and Clyde W. Warwick were in Austin Friday and Saturday where information was given regarding the projects in Randall county and part of the new set-up explained. District superintendents were in Austin getting acquainted with the new type of work to be undertaken.

In the future work will be given only upon the budget plan, with a maximum possible of only 24 hours per week. If the needs of the family will not require as much as 24 hours per week, the number of hours is reduced to the actual needs. The plan is to give only one-third of the budget in cash and merchandise orders for the other two-thirds. Much objection has been raised to this method, but the Randall county representatives were told that this was the plan set up by Washington.

Additional aid was granted on the improvement program of the administration building of W. T. While the new set-up will greatly handicap the early completion of this work, funds are available to complete the floors, plastering and painting which was started the first of the year.

All projects in the county were continued as carried on at present but it is expected that the hours allowable for the various men will be considerably reduced under the relief plan.

Just how long the present relief program will be continued, no one in Austin is able to state. The drouth section of Texas has been granted special treatment, with a much larger quota than granted to other sections.

Max Montor Will Lecture Monday for AAUW Group

A program of dramatic reading of more than usual merit will be presented in Canyon Monday evening, April 2, through the courtesy of the American Association of University Women, which is sending Max Montor, an Austrian by birth, to this city.

The evening's entertainment will be attended by a large number of visitors from Amarillo, Pampa and other towns, since the national organization has assisted in advertising the event. Tickets will cost only ten cents, according to Mrs. T. B. McCarter, since the local branch of the A. A. U. W. defrays only the speaker's traveling expenses from Abilene to Canyon.

Miss Margaret Wiley, of the College English department has heard Mr. Montor. She says that he is a splendid reader. He has selected a modern play to give here.

It is hoped that many people will take advantage of the opportunity to hear an artists program at this time. It will be given in the auditorium of the Education Building on the College campus at 8:15.

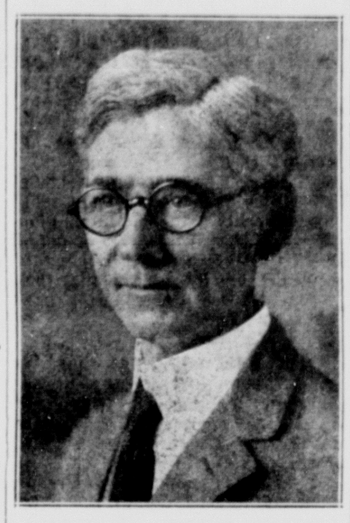
Curtis Brown Case Affirmed; Must Go to the Penitentiary

The liquor case against Curtis Brown has been affirmed by the Court of Criminal Appeals which was tried in the District Court last year.

As soon as the papers are received from the court, Brown will be taken to the penitentiary to serve the one year sentence.

Miss Eleanor Pierle returned Tuesday to Denver where she is a student in Denver University.

Dr. J. A. Hill Urges Defeat of Beer Measure



J. A. HILL

To the People of Canyon and Randall County:

As one who for nearly a quarter of a century has worked for the material betterment of our town and county, favoring and voting for every movement that would develop our financial and business resources and add to the wealth of our community; as one who has given all that he had to the building up of our intellectual, moral, and spiritual resources, to the end that our children and our children's children might have a better world in which to live; and as President of the only state institution of higher learning in Northwest Texas, constituting, as it does, the chief asset of our county and contributing so much that is valuable to our people, I appeal, with all the earnestness of my heart, to every voter in Randall County to vote next Saturday against making the sale of beer legal in Randall County. There could not be a single permanent advantage of any kind to the people of our town and county from the sale of any kind or degree of intoxicating drink. Whatever the material gain that might come to a few individuals, it would be offset a thousand times in the material, moral, and spiritual loss of a hundred times as many. Under right conditions Canyon and Randall County will attract hundreds of high class and fairly well-to-do citizens, thus increasing property values and adding greatly to our material and cultural wealth. The legal sale of beer here will stand squarely in the way of such development and, therefore, damage property values. Life is unsafe enough as things are, and reliable statistics from all over the country show that where beer has become legal there are many more accidents than before and more violation of law. Unless our people become more moral and entertain more respect for constituted authority, civil order will collapse and life will be neither safe nor valuable to any of us. What is the use of maintaining government of any kind, what is the use of schools and churches, if we are to turn loose all the forces of evil to nullify the good these institutions do? Again, I appeal to all parents who love their children, to all business men who cherish security and the privilege of the peaceful pursuit of their business, to all citizens who love their country, to go to the polls Saturday and help register an over-whelming vote against one of the greatest evils that has ever cursed the human race.

J. A. HILL, President,
of the West Texas State
Teachers College.

Four Names Filed For Places on the Board of Trustees

Tuesday was the last day for filing applications for places on the ticket as candidates for trustee of the Canyon Independent School District. Four names were filed for the three places on the board.

The terms of S. H. Condron, Dan F. Sanders and R. O. Allison will expire. All three filed for re-election, and the name of George W. Cox was added as a candidate for a place on the board.

The election will be held on Saturday, April 7th.

LOCKHART'S MOTHER DIES

W. E. Lockhart and son, Vincent, were called to Bronte, Thursday by the death of Mrs. W. W. Lockhart, mother of Mr. Lockhart. Mrs. Lockhart was 76 years of age.

Olin Hinkle of Pampa visited in the home of his parents, Mr. and Mrs. W. J. Hinkle, Saturday.

SNOW BRINGS 1.75 MOISTURE OVER COUNTY

Largest Snow in Years Falls All Day Sunday

MEASURES 15 INCHES

Moisture Largest Seen Here Since June 1932

Canyon received 1.75 inches of moisture Sunday as the result of the largest snow that has fallen since 1903.

The government weather bureau at Amarillo estimated that had the snow fallen without melting during the day it would have measured 21 inches. Local observers believe that fully 15 inches of snow fell here, although the snow was melting all through the day as it fell to the ground. The moisture from the snow is according to the local weather gauge which gives an accurate measurement of the rainfall.

The moisture recorded was the largest amount received in one day since June 4, 1932.

Various predictions have been made as to the results of this snow.

Wheat men have made various estimates as to the probable yield which could be made with continued favorable weather. It is hard to even guess at the probable results of the snow until a little time has been given for the wheat to start its growth. It is believed that as a whole Randall county stands a chance to make from 35% to 40% of a normal yield.

The southeast part of the county is reported to be in excellent condition owing to early rain last fall. The southwest part of the county, while not so well off, should have about a 90% yield. The east and west sections are estimated at about 50%. The northeast section is only about 25% while the northwest section is largely a failure.

Citizens of Canyon are highly elated over the fine moisture, which has ended the most severe drouth in many years.

One Ticket Filed For City Election Tuesday, April 2

The regular city election of Canyon will be held next Tuesday. There will be no contest in the selection of city officials for the coming two years as only one ticket has been filed. The names of the present city administration will appear on the city ticket.

Mayor C. R. Burrow, Commissioners H. W. Crain and W. S. Amend have served one term, and have consented to accept another term.

PANHANDLE MEMBER 1933 PRESS ASSOCIATION

SATURDAY'S ELECTION

The people of Randall county will be called upon Saturday to vote upon the question of legalizing beer. If beer were the only issue involved, perhaps there would be no particular need for worry. If men and women could be taught to drink a little beer and then leave it alone, perhaps there would be no particular harm in voting to legalize the sale of beer in the county.

Unfortunately this is not the case. With so many men and women alike, the taste of alcohol leads them on to more and stronger drink which ends in intoxication. The law says that 3.2% beer is not intoxicating. Unfortunately for the law, science says that it is intoxicating, especially for those who are not accustomed to drink; and for those who do drink, the unfortunate thing is that the taste for beer leads on to stronger drink.

Randall county people should take into consideration that if they endorse the sale of legal beer, they will assume the responsibility of the results of this sale. They will be responsible for the men and women, the boys and girls who are induced to drink the stuff; they assume the responsibility of the acts of those whose facilities are deadened by the stuff which has been placed in front of them, and told that it is harmless, because it is legal.

Last week this section of the state was horrified to hear that three little children were the victims of a crazed man driving an automobile while under the influence of alcohol.

Is there a parent in Randall county who is willing for his child to be the innocent victim of such a disaster?

Is there a voter in Randall county who will place his approval of a drink which causes a man to lose complete control of his faculties?

The man or woman who votes approval of liquor, should also consider that he assumes responsibility as to the acts of those who drink the legalized stuff.

There are probably a half-dozen business places in Randall county which would make some money as a result of legalized beer.

Is there any man or woman in Randall county who will say that he would rather see this half-dozen firms make a few extra dollars, and at the same time turn loose a fleet of drunken drivers on the streets of Canyon and on the highways of Randall county?

Of course those who want to make a profit on liquor, argue that the law is correct in saying that beer is not intoxicating and that drunkenness does not result. They fail to answer the police records of Dallas and other large cities that arrests for drunkenness have doubled since beer was legalized, and that accidents have doubled under legalized beer.

The only safe thing to do is leave this evil alone.

If men and women want to get drunk, the law cannot prohibit them; but the voters do not assume a responsibility for their acts if they are not drinking legalized liquor.

The people of Randall county assumed a great responsibility for the safe care of young men and young women when W. T. was located here 25 years ago. The people of Canyon have put up many thousands of dollars to build that institution. The state has invested more than a million dollars here for the proper education of these young men and women. The state properly expects that these young men and women shall have the proper environment while in Canyon. To offer them beer is NOT to properly safe-guard these students. The little profit of these half dozen business houses who want to sell beer would never repay the damnable results of one drunken spree which might result from legalized liquor.

Let's get sensible about this beer business, Voters of Randall County. There is not one sound argument in favor of legalizing beer in the county except that some half dozen business men might make a few dollars.

There is every argument on the other side to show that only bad can come from a business which is unnecessary and which dissipates the faculties and lives of men, women and children.

VOTE AGAINST LEGAL BEER SATURDAY, MARCH 31st.

It is a matter of record that the deciding factor in the location of the College in Canyon was due to the fact that there were no saloons in Canyon. The final choice was between Canyon and Ballanger. The latter had saloons, while Canyon did not. Dr. R. B. Cousins cast the deciding vote for Canyon because he did not wish to subject the young students to the evils of the saloon. If the saloon was recognized as an evil 25 years ago and was a deciding factor in the location of the College, the people of Randall county should recognize the fact that to return legalized liquor to the county in 1934 would be to invite a destructive evil into our midst which would break down the good name that the town had through these years as the educational center of Northwest Texas.

IN THE WORLD OF SPORTS

Tommy Loughran Qualifies for World's Champion Optimist Title; He Still Thinks He Can Take Over Da Preem

BY PHILIP MARTIN

THE world's heavyweight champion optimist is Tommy Loughran. At an age when most fighters take their Shakespeare from the shelf and repair to the hearthside, Loughran still believes he can beat Ponderous Primo Carnera.

This in face of the fact that Tommy took one of the worst poundings of his career at the hands of the Ambling Alp should constitute grounds for establishment of a new Nobel prize of some sort.

"I think I have found a way to win from Carnera," Tommy told me after his fight at Miami, Fla. "I made several mistakes of judgment in fighting style. I thought I could handle him along the ropes. He was too strong for that kind of offensive."

• • •

TOMMY did not hint at what his tactics would be in any future fight. But looking back, it seemed to me that he was not the usual upstanding Loughran, with that darting rapier of a left.

There was much that was reminiscent of Dempsey in the new Loughran manner. He weaved and bobbed after the fashion of the old Mauler.

And was he swinging punches! In several of the early rounds he let go old-school haymakers. One long right did catch Primo on the button, toppling him off balance for an instant. But it only made the big fellow lose his temper. Primo tore after Tommy like a maddened bull elephant, his big tusks gleaming.

The possible effect of such a punch as Max Baer carries, as applied in the Loughran manner once or twice, has stirred discussion among the little band of willful critics who still declare Primo's chin is vulnerable.

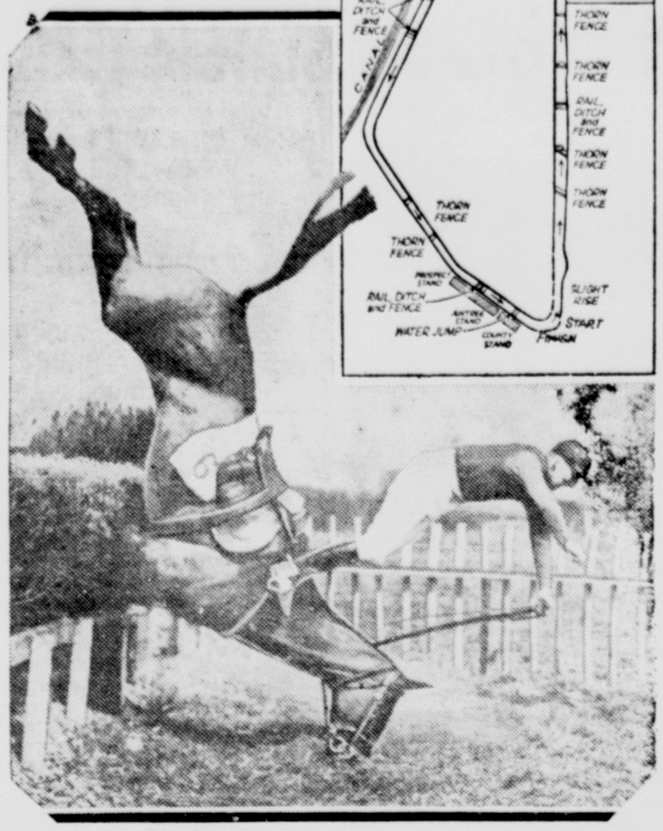
Tommy tried to be rough and tumble right along with the big Italian and couldn't be quite rough and tumble enough.

It is the idea in this section of the ringside that the next man they put in there against the champion should be equipped with a spiked collar, suit of armor and a six-inch gun.

• • •

THE greatest test of horseflesh in the world is to be run at Aintree, England, March 23. It is the Grand National Steeplechase, which is held over a course four and a half miles long, studded with 31 hazardous jumps and water holes.

This chart, and the accompanying picture of a typical tumble, illustrate why the annual race over the Aintree course is far from being a daisy chain. Many times only three or four horses, of several score entered, will cross the finish line.



Sometimes as many as 75 horses have entered this classic, and only four crossed the finish line. Which gives a good idea of how tough a test it is.

One of the water jumps is 15 feet across, and a covering of thorns hides a ditch holding two and a half feet of water. Once in there, a horse never gets out in time to finish a race.

There are 73 entered in this year's classic, but in the mad scramble at the start, several of them will not even reach the first jump.

This race has been won by all sorts of horses. Even a cart horse—Rubio, an American animal—has won it. And so uncertain are a horse's chances that odds of 100-1 are common.

The record for the course is about 9 minutes 28 seconds—which isn't exactly loafing along, considering the handicaps.

Sunny Hill News

About eight inches of snow fell in this vicinity Saturday night and Sunday. Farmers are rejoicing over the moisture and housewives are rejoicing because the dirt won't blow for a few days.

Mr. and Mrs. Emmett Russell and family of Panhandle spent the week-end with relatives here.

WHAT
A. T. & T.
(American Telephone & Telegraph Company)
means to your telephone service

The men and women who furnish your telephone service here could not do their job so well without the help of American Telephone and Telegraph Company, parent organization of the Bell System.

If a better way of doing a job gives better telephone service on the Pacific Coast, it may work equally well in the cities and towns of this state.

Staff experts of American Telephone and Telegraph Company, parent company of the Bell System, search constantly for these economies and improvements . . . test them . . . study them. The perfected result is offered to aid the 24 Bell operating companies . . . of which the Southwestern Company is one . . . give a nation-wide telephone service, uniformly good, at a fair price.

This is a fundamental policy of the Bell System. It is based upon the belief that what is best for the telephone user is in the end the policy that will bring us the surer, more enduring measure of success.

Women Contribute to Exchange Recipe Column

The News wishes to express its appreciation for the contributions of recipes that have been mailed in voluntarily this week. It is hoped that more meat and meat substitute dishes and salads will be sent in, as the majority of contributions thus far have been in desserts. Practical every day dishes including those that can make use of left overs are desired.

BUTTERMILK ROLLS
Mrs. T. V. Reeves

1 cake compressed yeast
1 pint buttermilk or thick sour milk
½ teaspoonful soda
¼ teaspoonful baking powder
1 teaspoonful salt
2 tbsp. shortening
2 tbsp sugar
4 cupfuls of flour (about)

Crumble the yeast in a small amount of the buttermilk, stir until dissolved, then add to the remaining buttermilk. Mix the soda, baking powder, salt and sugar to the shortening and cream, all together. Add this mixture to the buttermilk. Then add three cupfuls of flour and beat vigorously until a very smooth and elastic batter is formed. Add the remaining flour, or as much flour as needed for a rather soft dough, turn onto a well-floured surface and knead lightly and thoroughly, adding flour as needed.

At this point, it may be rolled into about ¾ inch thickness, and cut with biscuit cutter. Melt a small amount of fat in the baking pan, and dip the top of each roll into it. Let rise an hour, or until sufficiently light, then bake in hot oven (410 degrees). Or one may let the dough rise, then shape into loaves, let rise again and bake. Or one may let it rise, knead down, and place it in the refrigerator for use later.

Part graham or whole-wheat flour may be used, but more time must be allowed for it to rise. Whether baked as rolls or in loaves this is an easy and delicious bread.

PEANUT CANDY
Mrs. F. R. Phillips

3 cups white sugar
1½ cups white syrup
2 tsp. soda
1 tsp. vanilla
2 cups raw peanuts

Cook sugar and syrup until it forms a hard ball in cold water. Add raw peanuts and cook until light brown color or the peanuts crack. Take off of fire. Add soda and vanilla. Stir and pour on buttered tray which has had salt sprinkled on it.

SWISS STEAK
Mrs. I. B. Carruth

Use round steak, 1 inch thick, salt and pepper both sides. Pound in as much flour as it will possibly take. Put in hot roasting pan that has had enough suet melted in it to cover bottom of pan. Sear on both sides until light brown. Place one medium sized sliced onion over top of steak, and pour over one cup of boiling water. Let cook 2½ hours in oven at 325 degrees.

DEVILED OYSTERS
Mrs. J. S. Humphreys
(Serves eight)

1 medium size onion
1½ cups celery

Cook together until tender. Cook low. Add the following:

1 tbsp. Worcestershire sauce
2 tbsp. vinegar or lemon juice
2 raw eggs, beaten
2 hard boiled eggs, chopped
1 cup bread crumbs
Salt and pepper.

Then take 1 pint of oysters, cut in pieces, and put in pan where a scant tsbp. of butter is and cook until the edges curl. Mix oysters with above ingredients.

Put in baking dish and cover with bread crumbs and dot with butter. Bake about 20 minutes.

VEAL LOAF
Miss Florence Bellah

2 lbs. ground veal
2 tbsp. butter
2 eggs
3 tbsp. sweet milk
4 pounded crackers
1 cup canned peas
¼ tsp. pepper
1 tsp. salt
½ tsp. paprika.

Shape into loaf and baste with butter and water. Cook about 40 minutes at 375 degrees. Serve with tomato sauce.

Tomato Sauce for Loaf

1 cup tomatoes
½ tsp. salt
¼ tsp. mustard

Boil together 20 minutes and strain.

Prepare in another pan:

2 tbsp. butter
1 tbsp. flour

Melt butter and add flour. Cook until brown, stirring constantly.

Add to first mixture and serve with meat loaf.

STUFFED PEPPERS
Mrs. J. S. Humphreys

½ cup ground meat of any kind. Fry in 1 tsp. bacon drippings or lard. Add ½ onion, 2 cups cooked rice, salt and pepper, 1 tomato, and 1 cup bread crumbs.

Remove seed from pepper and place this filling in shells. Dot with butter and place in pan with small amount of water. Bake about ½ hour.

CHEESE ROLLS
Mrs. W. A. Warren

Grind ⅔ pound cheese with two ripe pimentoes. Warm enough to make mixture soft. Spread on very thin slices of white bread. Roll and tie with slices of bacon. Bake in moderate oven until brown. Serve hot.

INDIA CHUTNEY SAUCE
Mrs. Earl Robbins

12 green sour apples
2 green peppers
6 green tomatoes
4 onions
1 cup raisins
1 quart vinegar
2 tbsp. mustard seed
2 tbsp. salt
1 tbsp. ginger
2 cups brown sugar

Seed peppers, then add tomatoes and onions and chop very fine. Let vinegar, sugar and spices come to boil. Add the chopped mixture and let simmer one hour. Then add the apples, pared and cored, and cook slowly until soft. Seal in small bottles.

RAISIN SAUCE
Mrs. F. R. Phillips

½ cup brown sugar
3 tbsp. cornstarch
2 tbsp. butter
1½ cups water
½ cup vinegar
½ cup raisins (picked, washed, and cut in halves)
Sprinkle of salt.

Cook sugar, cornstarch, butter and water for ten minutes. Stir constantly. Add vinegar and raisins. Cook until raisins are plump. This is best when served hot.

Serve with baked ham or tongue.

JELLO SALAD
Mrs. W. E. Miller

3 large oranges, cubed
2 cups shredded cabbage
6 medium sweet pickles, sliced thin
1 glass pimentoes, cut in strips
2 packages lemon jello
1 cup sugar
¼ tsp. salt
2¼ pints water

Dissolve jello, sugar and salt in hot water. Let set until slightly thickened. Add other ingredients and mold. Serve on bed of lettuce.

ALBONDIGAS
Or Mexican Meat Balls
Mrs. Mae Higdon

Fry in bacon fat 1 large onion stirring constantly to prevent scorching. Add 1 No. 2 can tomatoes, ½ tsp. chili powder, salt and red pepper to taste. Take 2 pounds ground steak, season with chili powder, salt and red pepper. Work in sifted flour until stiff, then roll into balls the size of walnuts or larger if desired, and boil in the tomato gravy. Thicken gravy with 1 cup cornmeal, then boil 45 minutes. Add water if it becomes too thick before meat is done.

APPLE SALAD
Mrs. W. A. Warren
(Serves Six)

Cut four red apples into small cubes. Stir in three big tbsp. salad dressing. Arrange slices of pineapple on crisp lettuce leaves. Pile chopped apples on top.

Sprinkle one small tbsp. grated cheese over each. Garnish with pecan halves.

EASTER BUNNY SALAD
Mrs. F. M. Munson

For each portion you will need:

1 canned pear half
3 blanched almonds
2 raisins or cloves
Lettuce
Mayonnaise
Velveeta cheese

Place pear half on lettuce, rounded side up. Insert two almonds in the pointed end for ears and the cloves or raisins for eyes. Form the cheese into the shape of a small carrot and place in front of the rabbit's nose. Under the round end of the pear slip the third almond for the rabbit's tail. Put a small amount of mayonnaise on either side of the rabbit.

GERMAN DILL PICKLES
Mrs. J. J. Walker

3 quarts and 1 cup water
1 cup vinegar
1 cup salt

Mix the foregoing ingredients, bring to a boil and cool. (A good way is to mix this the evening before and make up the pickles the next morning).

Fill quart jars with fresh crisp cucumbers, 3 inches long which have been split lengthwise into quarters. Add to each quart ½ tsp. powdered alum, 1 big bunch of dill, 1 small clove of garlic. Pour over the pickling syrup. A few grape leaves in each jar will add to the green color. This amount of liquid covers about 6 quarts of pickles.

LEMON MARSHMALLOW PIE
Mrs. Mark L. Foster

Filling

2 eggs
3 tbsp. cold water
1¼ cups sugar
2½ tbsp. corn starch
5 tbsp. lemon juice
Grated rind of one lemon
1 cup boiling water
Butter size of large walnut
Few drops lemon extract
6 marshmallows.

Beat egg yolks with cold water, then add sugar, corn starch, pinch salt, lemon juice and rind, boiling water and butter. Cook until it thickens, stirring constantly. Take from fire, add extract, pour in baked shell, the bottom of which has been covered with marshmallows cut in small pieces.

Cover pie with stiffly beaten egg whites to which has been added 4 tbsp. sugar and a few drops of lemon extract. Bake in slow oven until slightly brown.

Crust

1 cup sifted wholewheat flour
½ tsp. salt
½ tsp. baking powder
1 tsp. sugar
⅓ cup plus 1 tbsp. shortening
Ice water.

Sift dry ingredients together. Cut in ⅓ cup shortening. Add enough water to make dough stick together. Roll out, spread with one tablespoon shortening. Fold and roll to fit pie pan. Bake crust in hot oven.

PECAN PIE
Mrs. G. A. Farlow

2 eggs
½ cup sugar
2 tbsp. flour
1 cup white Karo
2 tbsp. butter
½ cup pecan meats chopped
Few drops vanilla.

Combine ingredients and pour in an unbaked shell. Bake in oven at a very moderate temperature until set.

ANGEL FOOD CAKE
Mrs. J. J. Walker

1 cup cake flour
1½ cup granulated sugar
1½ cup egg whites
1 heaping tsp. cream of tartar
¼ tsp. salt.

Sift flour 6 times and measure. Sift sugar 4 times. Beat eggs with flat whip until frothy. Beat in cream of tartar and salt. Continue beating until light and fine grain but not dry. Gradually fold in sugar, add flavoring, beat until eggs look like divinity. Sift in flour very carefully, a little at a time, being careful not to beat. Put in a large angel food pan, not greased. Hit pan several times on flat surface. Put in cold oven. Bake at 300 degrees 15 minutes; raise heat to 325 degrees 15 minutes; then to 350 degrees until cake leaves the edge of pan. (Never open oven for ¾ of an hour after putting it in.) Remove from oven and invert pan until cake is entirely cold.

SPICE NUT COOKIES
(Ice Box)
Mrs. W. T. Green

1 cup fat
2 cups brown sugar
3 eggs
2 tbsp. cream
1 tsp. vanilla
¼ tsp. salt
2 tsp. cinnamon
1 tsp. cloves
1 tsp. nutmeg
1 cup chopped nuts
4½ cups flour
2 tsp. soda

Cream the fat and sugar. Add eggs and cream and beat 2 min. Add rest of ingredients, and mix well. Shape into rolls wrap in waxed paper. Chill 12 hours or longer. With sharp knife cut into thin slices. Place 3 inches apart on greased cookie sheet. Bake 12 minutes in moderate oven.

JELLO PLUM PUDDING
Mrs. A. K. Goodman
(Serves eight)

1 pkg. lemon jello
1 pint water
Dash of salt
¾ cup cooked prunes, finely chopped
¾ cup walnut meats, finely chopped
¾ cup Grape-nuts
½ tsp. cinnamon
¼ tsp. cloves

Dissolve Jello in water. Add salt. Chill. When slightly thickened add fruits, nuts, Grape-nuts, and spices. Turn into mold and chill until firm. Serve with whipped cream or pudding sauce.

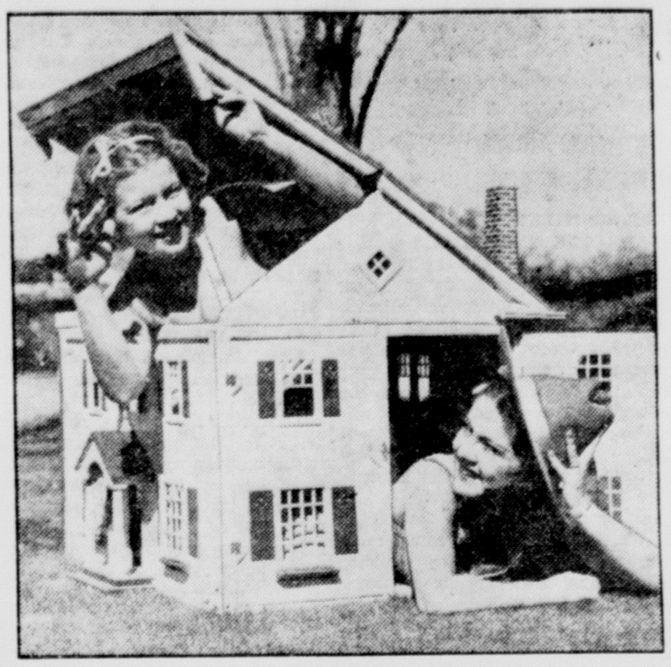
MARSHMALLOW PUDDING
Mrs. Frank R. Phillips

1 pkg. Knox kelatin (lemon)
6 egg whites
2 cups boiling water
2 cups sugar

Dissolve gelatin and lemon flavoring as instructions say on pkg. Add boiling water, let cool and almost congeal. Then beat until stiff consistency, add stiffly whipped egg whites and beat again. Add sugar and beat until stiff (3 beatings). May have two colors by using cake coloring. Put in mold and let set. Serve with whipped cream.

Surviving the week-end is the best test of one's fitness.

Just a Cozy Little Home



When Adelaide and Hilda Title, film ingenues, went to a California resort, they brought their house with them. And though they find it a bit confining, it has other advantages. For instance, they can raise the roof, if they want to, without neighbors complaining.

Rusk Quizzes

We received a nine-inch snow the past week end which was much appreciated by all.

Mr. and Mrs. Henry Ellis and family spent Sunday with Mr. and Mrs. R. N. Henry and family.

R. B. Gist made a business trip to Dallas this week.

Mrs. Robert Finley is quite ill with the measlees.

REBEKAH LODGE MEETS TUESDAY

The Rebekah Lodge met Tuesday evening in regular session, with Mrs. Minnie Laughery, Noble Grand, presiding. After routine business had been attended to, a committee was appointed to have charge of the awarding of the quilt which the lodge will give away Saturday at 4:00 p. m. at the City Market. The meeting hour of the Lodge was changed from 7:30 to 8:00 p. m. for the next six months.

Mrs. Hendrix gave an interesting and instructive report of the Rebekah Assembly which she attended in Mineral Wells as a candidate of the lodge last week.

A social hour was held and refreshments were served following the program. Those present were: Mrs. Maude Wagy, Mrs. Mildred Sullivan, Mrs. Lucy Brown, Mrs. Marie Hair, Mrs. Minnie Hendrix, Miss Mae Warren, Miss Columbia Redfearn, Mrs. Myrtle Stratton, Mrs. Minnie Laughery, Mrs. Winnie Loudder, Mrs. Pinkie McBride, Mrs. Ola Ridgeway, Mrs. Margaret Cole.

LAS SENORAS NUEVAS WEDNESDAY AFTERNOON

Mrs. J. M. Daugherty entertained Las Senoras Nuevas Club at her home at 1301 Fourth Avenue Wednesday afternoon. Games of bridge were played at three tables throughout the afternoon. At the refreshment hour plates of brick ice cream in blue and white and pink angel cake were served.

Those present were: Mrs. Glen Costley, Mrs. Ray McReynolds, Mrs. Owen Williams, Mrs. Claude Moore, Mrs. Harry Wood, Mrs. H. W. Hartman, Mrs. A. K. Goodman, Mrs. W. L. Pearson, Mrs. Brown, Mrs. Aubrey Fox, Mrs. Hud Prichard, and Mrs. W. E. Miller.

WOMAN'S BOOK CLUB DISCUSSES RUSSIA

The Woman's Book Club was led Wednesday afternoon by Mrs. C. W. Warwick with Mrs. Travis Shaw appearing on the program reading Miss Tennessee Malone's paper, and Miss Irene Angel giving a report on two Russian plays, the day's subject being "Russia Since the Revolution."

At the business session the club elected Mrs. Ray Campbell as their delegate and Mrs. A. W. Sternenberg to represent them at the meeting of the Seventh District Federation of Women's Clubs in Amarillo in April.

JUNIOR WOMAN'S CLUB MET MONDAY AFTERNOON

At the regular meeting of the Junior Woman's Club which met Monday afternoon, roll call was answered by some statement pertaining to art. Mrs. W. E. Miller, vice-president, was elected to the presidency to succeed Mrs. L. M. Saddoris, who moved to Oklahoma last week. The election of vice-president was postponed until the next meeting date. The club discussed the score card by which each club will be judged at the annual convention of the Seventh District of the Texas Federation of Women's Clubs to be held in Amarillo next month.

A committee was appointed to select a gift for Mrs. Saddoris, recent president.

After the business had been transacted, Mrs. Carl Scott gave a splendid paper on "A General Discussion of Art."

TUESDAY NITE CLUB WITH DAUGHERTYS

The home of Mr. and Mrs. J. M. Daugherty was the scene of an enjoyable party Tuesday evening when they entertained members of the Tuesday Nite Club. Four tables were placed for the games with bridge being played throughout the evening.

Refreshments of chocolate angel cake and pink and white brick ice cream were served to the following guests: Mr. and Mrs. A. K. Goodman, Mr. and Mrs. H. W. Hartman, Mr. and Mrs. Andy Walsh, Mr. and Mrs. Aubrey Fox, Mr. and Mrs. W. L. Pearson, Mr. and Mrs. Hud Prichard, and Mr. and Mrs. W. E. Miller.

LUCKY THIRTEEN CLUB AT DUFLOT HOME

The home of Mr. and Mrs. J. L. Duflot was opened Thursday evening for the entertainment of members of the Lucky Thirteen Nite Club. An enjoyable evening was spent at bridge. At the conclusion of the play the hostess served a tasty dessert course.

Those present were: Mr. and Mrs. Andy Walsh, Mr. and Mrs. Burt Newlin, Mr. and Mrs. G. A. Farlow, Mr. and Mrs. Hud Prichard, Mr. and Mrs. Ed Mickle, Mr. and Mrs. Dan K. Usery, Mr. and Mrs. J. M. Daugherty, and Mrs. Roscoe Davis.

Mrs. B. A. Stafford is here for a few days looking after business. She has been spending the winter at Kingsville.

MEYER-WILKINS MARRIAGE YESTERDAY

Miss Modell Wilkins of Portales, N. M., became the bride of Albert Meyer at the Lutheran Church east of Canyon yesterday afternoon at three o'clock in an impressive ceremony read by the Rev. H. A. Stroebel, pastor of the church. The bridal couple was accompanied by Miss Irene Meyer, sister of the groom, and Jack Wester. Only members of the immediate families were present.

A reception was held last night at the home of Mr. and Mrs. Henry Meyer, parents of the groom, which was attended by a large number of friends.

The bride came to Canyon six years ago from Portales and has many friends among the younger set. The groom is the son of Mr. and Mrs. Henry Meyer and has grown to manhood in the community east of Canyon.

NOTES FROM HOME DEMONSTRATOR'S OFFICE

Week's Program

Monday: Office.

Tuesday, April 3: Johnson 4-H Club and Sunny Hill Women. (Mrs. R. B. Gist, hostess).

Thursday, April 5: Park Club (Mrs. O. E. Sherer).

Friday, April 6: Fairview 4-H Club at 9:30 a. m. Centerview Club all day meeting (Mrs. S. L. Sharpes, hostess).

Saturday: Office.

Carrots were used fresh from the garden of Mrs. John Haines, pantry demonstrator of Lakeside H. D. Club throughout the winter. These carrots were planted in the early fall. A well-planned year round garden will supply fresh vegetables nearly every month of the year.

Nice fresh tender onions are being used by Mrs. I. N. Lindsey, co-operator of the Johnson Home Demonstration Club, from some shallots that have been planted in her garden for several years.

Shallots, carrots, solsify and parsnips should be planted in a part of the garden that is not to be ploughed in the late fall.

A new bed has been added to the bed room of Gwendolyn Moore, bedroom demonstrator of the Fairview 4-H Club. Gwendolyn entered the bedroom contest in December, 1933. The winner of the bed room contest in the county last year was also a district winner. She won a trip to the Farmer's Short Course at A. & M. College.

FRIDAY AFTERNOON CLUB WITH MRS. WARWICK

Mrs. Clyde Warwick was hostess to the Friday Afternoon Club last Friday. Two tables were placed for the games.

At the tea hour, the guests were invited into the dining room where they were served refreshments of coffee marlow, date bread sandwiches, and coffee.

Those present were Mrs. J. W. Kleinschmidt, Mrs. Bill Smith, Mrs. Tom Knighton, Mrs. I. B. Carruth, Mrs. R. A. Neblett, Mrs. Dan Sanders, and Mrs. R. N. Barnett.

EDGETOWN H. D. CLUB HOLDS MEETING

The Edgetown Home Demonstration Club met Friday afternoon with Mrs. John Ballengee.

The roll call was answered with "Something I have learned about shopping."

Mrs. J. W. Spencer and Mrs. M. M. Morris gave an interesting discussion on different fibers, after which refreshments were served by the hostess.

The next meeting will be held April 13th with the president, Mrs. G. H. Hardman.

CLUB NOTES FROM HIGHLAND H. D. CLUB

Members of the Highland Home Demonstration Club have canned $422.75 worth of meat and vegetables since September, according to reports given at a meeting in the home of Mrs. Joe Bedink, last week.

The club has eight members, two of which are not active in gardening. One hundred and seven garments, valued at $138.50, twelve quilts, fourteen curtains, twelve sheets, twenty pairs of pillow cases and two hooked rugs, all valued at $83.80 were added to the club homes this past six months.

Miss Sadie Kate Bass, county demonstrator helped with plans for spring gardens and gave instructions about preparing canned vegetables.

EASTER SERVICES

A sunrise Easter service will be given on the front steps of W. T. administration building Sunday morning at 6:45 o'clock.

E. H. Noble and family moved to Dimmitt to make their home the first of the month.

AS YOU LIKE IT CLUB WITH MRS. DAN K. USERY

Mrs. Dan K. Usery was hostess to members of the As You Like It Club and a few guests Thursday afternoon. After an afternoon of bridge, a delectable salad course was served.

Those present were: Mrs. Wm. Ash, Mrs. John Fry, Mrs. N. E. McIntire, Mrs. T. M. Moore, Mrs. Chas. Flesher, Mrs. L. Angel, Mrs. J. J. Walker, Mrs. C. M. Presley, Mrs. A. W. Sternenberg, Mrs. O. L. Coleman, Mrs. M. L. Saddoris, and Mrs. H. M. Cook.

REX HILL AND MISS KELLEY ARE WED

Miss Johnnie Kelley and Rex Hill were married Saturday in Amarillo.

The bride has been a student in W. T. for the past two years. She is the daughter of Mr. and Mrs. G. F. Kelley of Earth, Texas. The groom is the son of Mr. and Mrs. L. T. Hill of this county.

The young couple will make their home in Canyon.

Library Notes

All persons who purchase library cards are requested to read the rules governing the use of library books. Fines must be collected for all books kept overtime, and persons who lose books will be denied the use of the library until such books are replaced so that everybodywill be able to use the library.

Many little children are staying in the library while their mother's select books or do errands. The library will try to provide attractive books and papers for children who are old enough to entertain themselves quietly while in the library.

Patrons of the library are asked to remember that on the fourth Saturday of each month the library room is used by the Home Demonstration Council of Randall County, and that the library is not open for the circulation of books on that day.

A man who teaches a Sunday School class many miles from Canyon found in the library a reference book which was very helpful to him. People who have bound copies of commentaries and suggestions which they are no longer using are invited to give them to the library where other workers can secure them.

WRITER'S COURSE OFFERED BY PEN WOMEN CLUB

A Writers' Short Course, sponsored by the Panhandle Pen Women, will open in Amarillo, April 2 and continue through the week. The course will be conducted by Frank Clay Cross, of Denver, popular magazine writer and instructor in writing. The price is only $3.00 and the meetings will be held in the rooms of the Amarillo Business College, 605½ Taylor Street. Anyone may take the course.

Mr. Cross will also speak at the meeting of the Pen Women, which will be held Tuesday, April 3, at 2 p. m. in Room 7, of the Green building. Visitors welcome. For further information write Mrs. Rose Jasper Nickell, Corresponding Secretary, 1508 Hayden Street, Amarillo.

CARD OF THANKS

We wish to thank our many friends and neighbors who so kindly and graciously assisted us during the illness and death of our two darling children. May God's richest blessings rest upon each of you.

MR. AND MRS. J. C. DOWD
MARTHA JEAN
BOBBIE TILL.

W. H. Younger of Tulia attended the Teachers' Conference and spoke to the Panhandle High School Press Association Saturday.

Educational Heads Will Confer Here on 1935 Program

Supt. George Heath of Friona, temporary chairman of the executive committee of the newly organized Northwest Texas Educational Conference has called a meeting of the committee to be held here next Saturday.

The members will meet at the college cafeteria for lunch and business will be transacted afterward.

It is expected that plans for the next year's program will be made at this meeting.

Let's All Vote Saturday, Mar. 31

Let's be friends, honest, considerate.

Let's be men and women.

To me a vote against the sale of beer in Canyon and Randall county is a most worthy day's work and the best investment possible. It would show our interest in our neighbors, and our social and political interest.

It is urged that all voters vote. It is our local challenge. It is a challenge imposed by the soulless Beer Corporations in order to display their wares in our business houses with our distress dollars as their prey.

Doubtless the Barons are some of the 11 wholesale dealers who found it unprofitable to renew their short term licenses in Amarillo and desire to exploit our fair city.

Let us beware of these self-invited guests; not our ally, but our enemy.

Consider further, if we should have one court trial similar to the Crutchfield case in Potter county at an estimated cost of $25,000, how could we balance our budget? Balancing the budget is not proven by the saloon rout, but the converse.

Therefore, being considerate of our interests; mental, moral and financial, we can only safely vote against beer.

Let's befriend Canyon, our schools, and our county by the greatest justice, to-wit:

AGAINST THE SALE OF 3.2% BEER IN RANDALL COUNTY.

Make the above your soverign Easter vow, and vote.

J. I. BALLENGEE.

DR. BROWN MOVES OFFICE

Dr. H. A. Brown has moved his offices in the First National Bank Building, now occupying suite 37 at the front of the building recently vacated by Dr. M. L. Saddoris. Dr. Brown has added another room to the suite, giving him a reception room, consultation room and operating room. The rooms have been re-decorated.

GETS $50.00 AT OLYMPIC

M. F. Bewley received $50 cash for being at the Olympic Theatre last night. Wednesday night is Bank Night at the Olympic, with $25 added to the Bank each Wednesday.

Mr. Bewley this morning expressed his very great appreciation for the gift of this $50 from W. J. Wooten.

TREASURER'S STATEMENT

Of expenses incurred by the Randall County Wheat Production Control Association for the month of December, 1933.

To Committeemen for mileage and per diem	$112.60
To Clerk's Salary	75.00
To postage	31.90
Advertising Wheat Growers List	87.80
To office equipment and supplies	3.80
	$311.10

Wilson Items

The farmers of this section were more than glad to get the snow and many have hopes of some wheat.

Mr. and Mrs. B. H. Conner of Claude visited Mr. and Mrs. George M. Wilmoth, Saturday.

Mr. and Mrs. J. L. Buchanan spent Sunday in the L. H. Holman home.

Lewis Tucek spent the week-end with Raymond Tucek.

Dennis Brandt was out of school Friday on account of illness.

Mrs. Joe Tucek and family visited Mr. and Mrs. T. McBroom of Canyon Sunday.

Mr. and Mrs. Bert Venhaus were in Canyon Saturday on business.

Mr. and Mrs. Bert Venhaus visited in the Brandt home last Sunday.

Mr. and Mrs. Antone Hartman were in Canyon on business Monday afternoon.

Unless weather prevents the picnic will be held Friday of this week as announced last week.

Mrs. G. S. Ballard returned to her home in Amarillo Saturday after spending the past three weeks with her sister, Mrs. J. C. Dowd.

FOR LITTLE MEN

The Tom Sawyer shirts and linen suits for the little man are here. Dress the boy like his father.

Educational Caucus Brings Large Crowd Here for Week End

In accordance with the unanimous decision of the visitors to the first Northwest Texas Educational Conference, plans were perfected Saturday morning for a permanent organization of citizens and teachers with Superintendent C. H. Dillehay of Hereford chosen by the general conference to pilot the organization through the coming year.

Mrs. C. T. Hunkapillar of Pampa was chosen First Vice-president; Superintendent H. P. Webb of Olton, Second Vice-president; Dr. R. P. Parcells of Amarillo, Third Vice-president; and Mrs. T. V. Reeves of Canyon, Secretary-Treasurer.

Executive Committee

Superintendent George Heath of Friona was elected temporary chairman of the Executive Committee to succeed Superintendent Ferman N. Sawyer of Canadian.

Other members are: Superintendent L. H. Rhodes, Dalhart; Superintendent W. B. Irwin, Perryton; Mrs. Sam Isaacs, Canadian; Miss Elva Fronabarger, Borger; Superintendent J. W. Reid, Dumas; Superintendent W. A. McIntosh, Amarillo; Mrs. W. D. Word, Amarillo; Olin E. Hinkle, Pampa; Tommy Britt, Wheeler; Mrs. J. M. Crain, Claude; Mrs. A. L. Stringer, Dimmitt; Dr. J. A. Hill, Canyon, Judge B. C. McCasland, Tulia; Mrs. Roy Guthrie, Memphis; Mrs. Clarence Baley, Childress; Mrs. Lon Smith, Floydada; W. H. Locke, Plainview; F. O. Boles, Littlefield; Gryan Dickson, Childress; Judge J. D. Hamlin, Farwell; Sam Braswell, Clarendon; Rev. R. C. Snodgrass, Amarillo; Mrs. Harry Munday, Shamrock, and Miss Ola Boyles, Amarillo.

At the same time the classroom teachers numbering several hundred formed a classroom section with plans for a program in 1935.

Their officers are T. H. McDonald, of Pampa; Mrs. W. D. Word, of Amarillo; and Miss Ruth Lowes, of Canyon.

The conference, which replaces the annual teachers institutes, plans to become a divisional branch of the Texas State Teachers Association.

Resolutions Adopted

Resolutions adopted by the body advocated a revision of the certificate laws of teachers to promote higher professional training; commendation to the President of the United States and the national administration for their efforts to keep the schools open; commended the teachers for "their aggressive leadership in developing a corps of professionally trained teachers;" asserted that some curriculum revision was necessary but that no hasty or drastic reform should be undertaken at this time.

Miss Rosa Cash, who is going to school at Laverne, Oklahoma, spent the week-end at home.

HE IS RISEN!

Christ, the Lord, is risen today,
Sons of men, and angels, say;
Raise your joys and triumphs high!
Sing, ye heavens! and earth, reply!
—Charles Wesley.

Umbarger Items

All the farmers welcomed the snow that fell Sunday. The moisture was much needed for the wheat.

Mrs. E. J. Friemel made a business trip to Hereford Tuesday.

Mr. and Mrs. Paul Artho and family made a business trip to Amarillo Monday.

Mr. and Mrs. W. Bauer and son Davy, visited at the home of Mr. and Mrs. E. J. Friemel.

L. J. Wieck, Mrs. Louis Wieck and daughters, Clara and Elizabeth, made a business trip to Amarillo Wednesday.

Mr. and Mrs. L. J. Wieck and Mr. and Mrs. W. Bauer were business callers in Amarillo Thursday.

Palo Duro Peeps

The marriage ceremony of Miss Modell Wilkins and Mr. Albert Meyer took place Wednesday afternoon at 3:00 o'clock at the St. Paul's Lutheran Church.

Confirmation services were held at the church Sunday. Those who were confirmed were: Martha Miller, John Albers, Erwin Meyer, and Paul Fluegel.

Rev. and Mrs. Ferking and children of Amarillo visited with Rev. and Mrs. H. A. Stroebel Thursday.

Miss Erna Meyer and Mr. J. Small of Carlsbad, N. M., are visiting in the Henry Meyer home south of Canyon.

Miss Hazel Cooper, who is teaching at Mobeetie, and her roommate, Miss Walker, spent the week-end in the home of Mr. and Mrs. C. O. Cooper.

Jim Cheyne, who has been working at Wheeler the past two months is back in Canyon now working with the Phillips Petroleum Company.

PRESBYTERIAN CHURCH

The choir of the Presbyterian church will give the following program Sunday evening at 8 o'clock:

Processional.

Solo: Sheep and Lambs—Homer—Pauline Brigham.
Anthem: Easter—Charlotte Ingham Word—Choir.
Violin Solo: Souvenir Poetique—Fibich—Herschel Coffee.
Anthem: He is Risen—Caleb Simper.

R. O. Johns, Pampa Sales Manager of Imperial Chevrolet

The Imperial Chevrolet Company announces this week its new sales manager, Mr. R. O. Johns, formerly of Pampa. Mr. Johns was associated with the Chevrolet Company in Pampa, and with the Plains Chevrolet Company in Amarillo before coming here.

He and Mrs. Johns moved here last week, and are living in the J. J. Walker apartments.

LOCAL NEWS

Mrs. Geraldine Green, A. K. Goodman and Dr. Angie Debo left today for Lockney where they will judge the Floyd County meet.

Miss Ruby Kendrick Cherry and Miss Jean Smalley spent Sunday at the former's home in Childress.

Miss Elva Lee Bagley spent the week end here visiting her parents and attending the Educational Conference.

Mr. and Mrs. T. H. McDonald and Supt. and Mrs. R. B. Fisher were Conference guests of Miss Jennie C. Rithie.

Miss Helen White Moore and Miss Mary Morgan Brown were in Amarillo Monday.

Guy Tabor of Farwell, formerly principal of the Canyon high school, was a visitor here Friday and Saturday.

Mr. and Mrs. Flaudie Gallman of Muleshoe spent the week-end in Canyon with C. E. Cheyne and family.

Mrs. R. D. Lowery was brought home Friday night from the Amarillo Sanitarium where she underwent an operation for appendicitis recently.

Among those who attended the lecture of Judge Frederick C. Hill of Los Angeles at the First Church of Christ, Scientist in Amarillo Sunday were: Mrs. C. N. Harrison, Mr. and Mrs. N. C. Vogele, Mrs. W. O. Burnett, Mrs. Lester Weaver, Mrs. J. A. Harrison and children, Thomas, Eldridge, and Pauline, and Mrs. C. A. Higdon.

Rev. John Rowan of Quanah returned to his home Friday after spending the past week in the home of his sister, Mrs. J. C. Dowd.

At Swimming They Shine

A couple of fair swimmers, ready to show their mettle in the pool, are these two Douglas, Ariz., girls. They are clad in suits made of copper.

Mr. and Mrs. A. H. Word of Spearman and Mrs. Pat Wederbrook of Hereford spent the week end at the parental John Knight home.

Miss Lurline Bowman, who is teaching at Alanreed, attended the Teachers Conference and visited with her parents, Mr. and Mrs. R. T. Bowman, over the week-end.

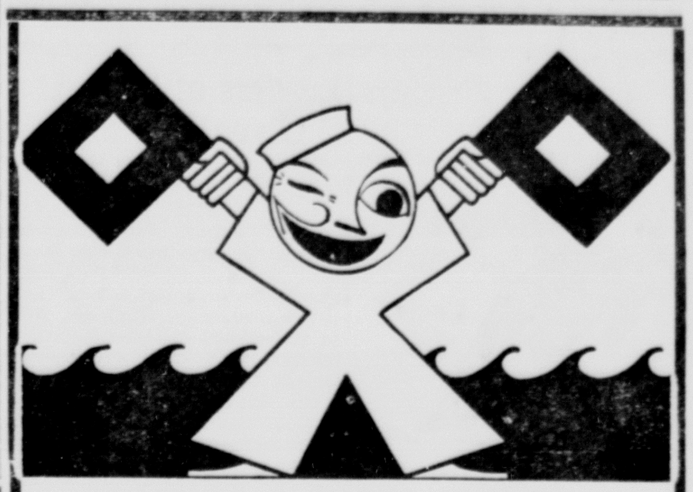
R. W. Ratcliff of Pampa spent last week-end in Canyon.

The woman who marries for a meal ticket is certainly justified in eating a whale of a lot.

You will never know how many home remedies there are for colds unless you get a cold.

New York City's health commissioner is Dr. Shirley W. Wynne. New Yorkers just can't lose when their health is guarded by someone named Shirley Wynne.

Believe it or not, there are actually a few men who can read of a new government appropriation without wondering how they can get some of it.



HAVE YOU SEEN
THE 1934 CHEVROLET?

Knee-Action Wheels—the revolutionary new feature that changes the ride to a glide and gives you smooth riding comfort wherever you drive—is only one of the important improvements you will see in the new Chevrolet. Don't miss your first opportunity to see **all** the surprising developments that allow us to say with confidence—

We would like very much for you to meet our new sales manager, Mr. R. O. Johns, of Pampa. Phone 334 and let him demonstrate the new Chevrolet to you.

Drive it only 5 miles and you'll never be satisfied with any other low-priced car

Beer Will Not Build A County, A City or A College

A circular has been distributed in Randall county by those who advocate legalizing the sale of beer. It is full of gross errors, and misleading statements.

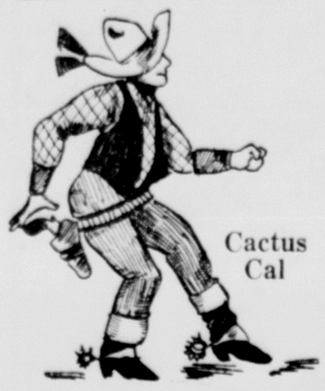
1. Canyon and Randall county are NOT staking their future upon beer, as they are in excellent financial condition, and their economic welfare is NOT at stake without beer.
2. Randall county is NOT surrounded by wet territory, but joins ONLY ONE wet county.
3. If the beer crowd does not wish the saloon back, why are they now advocating the repeal of the Dean Law and of Texas constitutional prohibition? The same bunch who are crying for beer in Randall county will be running the saloon if Texas repeals these dry statutes.
4. If 3.2% beer is not intoxicating, why has drunkenness doubled in the larger cities where the sale of beer has become legal, and why have accidents doubled in the same period?
5. The people of Randall county are not to be misguided by the wild declaration that to oppose beer is unpatriotic or that in so doing they oppose the President. The President has definitely stated that the question of liquor was clearly up to the various communities to handle as they saw fit. More than half the counties of Texas have voted against legalizing beer and they resent being called "unpatriotic."
6. We accept the challenge that this is "purely an economic fight" and demand proof, rather than wild statements, as to who will pay for additional police protection, additional highway patrolmen, additional jail facilities, additional hospital expenses if beer is approved? The small license fees paid by the half-dozen beer venders will not pay this additional expense.
7. How can temperance be taught, when beer is shoved under the nose of every boy and girl, and they are told to drink the stuff in order to provide money to pay their teacher's salary? Of all classes in Randall county, the teachers are the last to approve the sale of beer, for they know the damnable effects of the stuff.
8. Fifteen towns in which State Educational institutions are located have said most definitely that they do not approve the sale of beer. Only two towns where State Educational institutions are located have approved beer. Lubbock has twice rejected the plea of the beer crowd that beer is not intoxicating and will not hurt the students at Tech. The College was located at Canyon because there were no saloons. Let's not break faith with those wise founders who sought to protect the students from the influence of liquor. Of the 59 towns in Texas in which colleges are located, 40 of these towns have definitely voted AGAINST BEER.
9. This is DEFINITELY a fight in which morals and church as well as schools are unquestionably concerned. The Beer Barons have never contributed ONE PENNY to build our churches in order to create a moral atmosphere for our young people. They are interested in young people only to the extent of making them victims of the vicious traffic in which they are engaged. They seek to come into Randall county only for the purpose of exploiting the people of this county. The small tax they pay would not pay for the expense of this election which they have forced upon the county.

Vote Against Beer, Sat., March 31

(This advertisement sponsored by those opposed to Beer)

THE EAGLE'S TALE

VOLUME NO. 8 CANYON, TEXAS MARCH 29, 1934. NUMBER 28



Whatta country! This whole winter hez went by and nary a bit uv snow. It would hev to waite until a week before Easter to snow. You gals ought to have worn your white shoes and spring dresses during the winter months, and then bought you sum boots fer Easter morning. Out here in West Texas you can start to town awanten' an ice cream cone, and by the time you get to town you need a bowl of chile.

I hev no doubts in my mind as to who's workin' the hardest to get the queen crowned. Everybody knows who I'm talken' about—its them Freshmen uv course. Why if them other classes had any spunk at all, they'd at least try to do something fer they're king and queen. Now honestly, wouldn't each class uv you like to see your candy dates crowned—then it's up to you kids. I'd at least do my part.

Hi, Sewell. Sure glad to see you back. You and Sarie Bonnie too. You know, I've had the measles, and they ain't as much fun as they're cracked up to be, are they?

Jean, did you and Caroline have a good time walkin' home from the Freshman picnic? What I've wondered is why Jack and J. C. didn't walk. I've been told Mr. Fox could tell you why.

As before,

CACTUS CAL.

Manual Training Projects Have Proved Useful

The Manual Training department of the Canyon High School has turned out many useful projects during this semester's work.

Such projects as study tables, smoking stands, foot stools, cedar chests, end tables, chests of drawers, shine boxes, quilt boxes, magazine racks, corner shelves, writing desks and lawn chairs may be found among those made in the manual training department.

Leigh Beeson is now working on a chest of drawers which when finished will probably be one of the nicest projects turned out this year. T. V. Slack made a radio and magazine stand which would also be placed among the best projects of the year. J. L. Hefner and Ernest Duncan turned out two study tables which would probably catch the eye if put on display, according to Mr. Barker.

Several men of the manual training department have been working on projects to be used as patterns in next year's manual training class and in mechanical drawing.

Since September there have been two machines made and put to use in the shop work, the jig-saw and the dry grind rock which are both very useful. Since the first of the second semester the first year boys have been allowed to use the machines in the shop. This is very unusual for first year boys. The reason for this probably is that there are six senior boys in the class.

When asked how his first year class this year compared with his others, Mr. Barker said:

"I have had less trouble and better work from my first year class this year than I have ever had."

Mr. Barker keeps an individual grade for each day. In this way the boys can tell each day how they are doing in their work.

"The boys seem to be taking more pains with their work here of late. They are all looking forward to the school exhibit which will be the last of April," Mr. Barker stated.

Ruth McCrerey and Marielle Oldham are in bed with the measles.

Miss Lenna Foster, an ex-student, spent the week end at her home here.

"Spec" Williams and "Scoop" Elliston went to Hereford Friday.

"If three men can build three boats in three days, how long will it take a man and a half to build a boat and a half."—Puzzle. What would Carnera want with a boat and a half?

Leaders of P. T. A. Given Luncheon at Pres. Church

The Canyon Parent-Teachers Association entertained one hundred leaders in the Panhandle Parent-Teachers Association, who were attending the Northwest Texas Educational Conference, with a luncheon, at the Presbyterian church, Friday, March 23.

Mrs. William Robinson, president of the Canyon association, was toast mistress. A short address was made by Mrs. J. E. Griggs of Amarillo, president of Eighth District. Mrs. Irby Carruth extended greetings from the Canyon group; Mrs. Tom Johnston of Tulia responded. Mrs. J. M. Crain of Claude gave greetings from the state organization.

All associations were invited by Mrs. D. J. Gassaway of Shamrock, to send large delegations to the district conference in Shamrock on May 2, 3, and 4.

The report of progress of the associations represented were given by Mrs. A. B. Curtis of Canadian; Mrs. R. W. Calliham of Carson county council; Mrs. C. R. Nelson of Pampa; Mrs. W. M. McClay of Pringle; Mrs. Ralph Bort of Gruver; Mrs. T. J. Page of Claude; Mrs. Ed Brown of Stratford; Mrs. J. W. Blackwell of Friona; Mrs. Howard Shuss of Sunray; Mrs. J. C. Tuttle of Spearman; Mrs. L. S. Noe of Morse; Miss Gertrude Feles of Waha; Mrs. Connellee, Mrs. Hill and Mrs. Moore of Amarillo.

A reading was given by Miss Irene Angel, head of the public speaking department of the Canyon Public Schools. Dr. J. A. Hill, president of West Texas State Teachers College, asked the invocation.

High School Girls Meet Grade Girls; H. S. Girls Win

The high school girls' baseball team met the grade school girls last Tuesday afternoon at 3:00 o'clock. This game was one of the preliminaries of the County Interscholastic League Meet. The high school girls won the game of five innings with a score of 12 to 3. This team is composed of the following: Faye Plaster, Neva Lois Miller, Pauline Harris, Evelyn Cox, Ruth Richeson, Mary Ella Davis, Kate Eileen Donnell, Betty Ruth Solomon, Mary Collins, and Evelyn Cluck. Those playing on the grade school team are: Mary Horn, Gladys Hutton, Glenna B. Eastwood, Obera Burgan, Marie O'Donald, Annie Mae Spencer, Renna Beth Bellah, Edral McNeill, Estelle McCarter, and Helen Hurst.

A game with the Johnson team was scheduled for Wednesday afternoon, but the Johnson girls failed to show up, thus forfeiting the county championship to the Canyon High School team.

Juniors Present Chapel Program on March Events

The chapel program Thursday, March 22, was sponsored by the junior class with Bob Orton presiding.

The talent was selected from the junior class as follows:

An orchestra composed of Mable Schmitz, Bob Orton, Jackie Pitts, Florence Root, Jack Oldham, Lorene Bessire, and Ruby Foster, played "Our Heroes."

"History of March," by Irene Thompson.

"Important Dates in March," by Mary Ella Lowe.

A cornet quartet composed of Mickey Schmitz, Bob Orton, Jackie Pitts and Florence Root, played "Evening Song."

"Events in March" was discussed by Ruby Foster.

Jack Oldham discussed "The Important Dates in March."

The concluding number was by Mickey Schmitz and her famous Rhythm Band featured in "Who's Afraid of the Big Bad Wolf," and "Twelfth Street Rag."

TRACK EVENTS OF COUNTY MEET POSTPONED ONE WEEK

Track and field events of the Interscholastic League County meet were postponed a second time last Saturday due to cold weather.

The meeting will be held next Saturday, March 31, if the weather permits.

Lurline Bowman, an ex-student, visited in her home over the week end, and attended the teachers' convention.

Sewell Cox is back in school after an illness of two weeks.

PRESS MEET PROVES TO BE BIG AFFAIR

Sixty Members Attend First Meeting of Conference

The Panhandle High School Press Association, meeting in the high school building, was entertained with addresses given by Miss Lillian Atkins, Mr. W. H. Younger, Miss Robbie Lee Foster, Mrs. T. V. Reeves, and Mr. Olin Hinkle, all of whom are especially interested in journalism, although in several different ways.

Because Mr. Clyde Warwick, Canyon publisher, was unexpectedly called to Austin, Miss Lillian Atkins, his assistant, gave the address, "The School Page in the Town Paper," to the assembled Conference.

A person, Miss Atkins stated, does not read the local papers for the last minute news on Mahatma Ghandi's latest fast, or even about the new NRA Code for steel, but the local paper is read for learning who is doing the repairing on Main street, and all the rest of the neighborhood news. This is where the school paper is vital.

The majority of subscribers, declared Miss Atkins, are vitally interested in just what their school taxes are being spent for.

Miss Atkins said, "The school paper could be considered as a community project from the viewpoint of the paper."

Another point mentioned by Miss Atkins was a quotation from Mr. Warwick, "There has been less friction in towns which publish a school page in their local paper than in those towns which do not."

Value of School Paper to School

W. H. Younger, Superintendent of Tulia Public Schools, gave the second address of the morning. The subject was "The Value of the School Paper to the School."

Mr. Younger based his talk on five main points: first, the School paper is a constant and continuous source of adventure; second, it is an easy approach to the adult population for the child; third, the school paper offers an exceptional opportunity to a minimum expenditure of money; fourth, it is a tieup of school boosters to the school; and last, the paper is exceptionally good training for those people working in the fields of journalism.

Sponsors Part

The sponsor's part on the school paper," was the topic discussed by James Wilson, sponsor of the Hereford school paper.

Mr. Wilson especially put forward the idea of the school paper being a laboratory for work, provided in a course offered by the school.

The following, Mr. Wilson considered are the duties of the high school editor: To make assignments; to make corrections; to decide on the policy of the paper.

"The sponsor should not tend to hamper the work that the paper does," Mr. Wilson stated.

In short, the theme of Mr. Wilson's speech was, that the sponsor should place him or herself entirely in the background.

Eye For News

Miss Robbie Foster, editor of The Eagles Tale, gave the third address of the convention, on "Developing an Eye for News."

Miss Foster's opening statement was, "news is the timely record of some significant happening in which people of your community are interested."

Continuing, she said, that in the development of news, one should put in not only the ordinary routine news, but also especially play up the unusual part of the assignment.

A test of a good reporter, Miss Foster said, is being able to write a snappy, interest-provoking story about a dull topic.

Attention was also called by the speaker to the five "W's" Who, What, When, Where and Why, without which no news story can be written.

Women in Journalism

"Women in Journalism," was the topic of the paper written by Miss Louise Evans, of the Amarillo News-Globe, who, through illness, was unable to attend the Conference, which paper was read to the members of the Panhandle Press Association by Mrs. T. V. Reeves, of West Texas State Teachers College.

In her introductory talk Mrs. Reeves stated, "Anyone interested in newspaper work must be intensely interested in people and events."

One of the statements which Miss Evans made in her paper explained the point that there is seemingly no place in the field of journalism for women except on the society page, special features, and in a few cases, free-lance writing.

The principal excuse given for the lack of need for women, wrote Miss Evans, is that newspaper work is just "too gruelling."

If a woman, however, does choose journalism as her special field of work, Miss Evans suggested that she first, increase her vocabulary with a multiplicity of simple, easily understood words, second, try to learn everything she can on any subject possible, and third, to study government.

Round Table Discussion

Olin Hinkle, editor of the Pampa Daily News, an ex-student of W. T. S. T. C., led a round table discussion at the meeting Saturday afternoon, March 24.

More space will be devoted in the future to photography than it is now, according to Mr. Hinkle. He said that reporting of newspaper events by radio is really the editor's word through the microphone.

"Journalism will help anybody in any career he may take up," according to Mr. Hinkle, in reference to the value of high school newspaper work.

"The biggest officer on a newspaper staff is the reporter," added Mr. Hinkle.

The questions discussed were: Which column on a newspaper is most important? Where should the staff list be placed on page? How should subborn people you wish to interview be handled? How much space does the school paper merit in the town paper?

In Appreciation

The Eagles Tale staff wishes to express its appreciation to Mrs. T. V. Reeves, tap dancers, Miss Marie Park, Miss Florine Bowman, Miss Irene Angel, and Miss Lillian Atkins, all of Canyon; Mr. W. H. Younger of Tulia; Mr. James Wilson, of Hereford; Mr. Olin Hinkle, of Pampa; Miss Louise Evans and Mr. Harry Montgomery of the Amarillo News-Globe for their part in making the first meeting of the P. H S. P. A. a success.

Dairymen Hold Annual Banquet Friday Night

The Randall County Dairymen's Association held their annual banquet Friday night, March 23, in the high school gymnasium.

Toastmaster W. H. Upchurch called the group to order and Rev. Sharp gave the invocation.

M. H. Rockwell, president for this year, gave the welcoming address. He mentioned that this was their sixth annual get-to-gether. The response was given by the Mayor of Canyon, C. R. Burrow.

The following men were introduced, each speaking a few words: Mr. Edquiss, Lewis Dodson, Dr. Guy Porter, Dr. Malhot, and T. C. Thompson.

Dr. Roy Snodgrass of the First Christian Church of Amarillo was the main speaker of the evening. He said he was told the banquet had no object, therefore his speech would have none. However, Mr. Snodgrass left an important thought with the people concerning perils in which our democracy now stands. Mr. Snodgrass said that it was due to the fact that the masses of people have not obtained the intelligence it takes to make true democracy.

Approximately two hundred and fifty people attended the banquet.

Freshmen Have Picnic on Bourn Creek Friday

The entire Freshman class, chaperoned by their sponsor, Mr. Aubrey Fox and Miss Mattie Jordan, enjoyed an out-door picnic and hike to Bourn's creek, Thursday afternoon, March 22, shortly after three o'clock.

Shortly after the party arrived at the above mentioned creek outdoor games were organized and played, after which a picnic supper followed. The refreshments were as follows: Roasted wieners, buns, pickles, roast marshmallows, and cookies. Most of the freshmen then returned to town by means of cars which were taken along with them.

Geneva Whitman is back in school after being out about three weeks with a cold.

BANQUET GIVES SOCIAL CLIMAX TO MEETING

Harry Montgomery Is Speaker at Press Banquet

The banquet Saturday night, March 24 at the Presbyterian Church was an outstanding climax to the P. H. S. P. A. meeting here that day. Harry Montgomery of the Amarillo News-Globe, was principal speaker of the evening, and spoke on "Journalism as a Profession."

The program was as follows:

Popular Numbers—Lila Beth Burroughs, pianist.

Welcome—Hampton Lisle.

Response—Linnette Harter.

Two vocal solos: "Some of These Days," "The Talk of the Town"—Florine Bowman.

Reading: "The Pharoah's Daughter"—Miss Irene Angel.

Violin Solo, "Orienta"—Miss Marie Park.

Tap Dance, W. T. S. T. C. girls, accompanied by Miss Royce Park.

"Journalism as a Profession"—Harry Montgomery.

Tap dance, W. T. S. T. C. boys.

Business meeting.

Professional Journalism

Mr. Montgomery spoke on "Journalism as a Profession." He took as a basis of his talk, a code of ethics for young journalists, that appeared in the newspaper column of O. O. McIntire, a noted journalist.

One of the most interesting points in this code, as presented by Mr. Montgomery, was that a good reporter never betrays a confidence. Given examples of this were given through his experience in Amarillo on the Amarillo News Globe staff.

Another point of interest was "Never write anything that you would be ashamed for your mother or sister to read. Mr. Montgomery said there was no excuse for vulgarity in newspapers.

Most cub reporters are nuisances according to Mr. Montgomery, but he added, that there was no reason for this. If he uses common sense, there is no need for cub reporters being boresome.

Mr. Montgomery advised young journalists to get practical experience before entering a school of journalism. He added that most cub reporters try to use big words and that one of the first lessons to be learned was that of using one or two syllable words in place of big words.

The work of the Associated Press in Amarillo was explained by Mr. Montgomery.

Mr. McIntire wrote in his column that if a reporter was going to "get out" of the game, he should get out at 35 years of age, that 40 was too late.

Mr. Montgomery said that journalism holds a fascination for reporters that can not be thrown aside.

Supervisor's Column

It is always an inspiring thing to see boys and girls gathered in groups to discuss and to learn something which is expected to make them better craftsmen. The recent gathering of young reporters and editors of high school sheets from various schools of the Panhandle was no exception to this. Facing bad weather, and even snow, they came for many miles to hear the discussions affecting their craft. Each meeting was well attended. Here was no cheering grandstand to lure them on to victory; here was no opportunity to get release from the regular routine of school and so achieve something like a holiday; and here was no hope of gaining fame and letters the society of the local school. Here they did find, however, ample opportunity for hard thinking, and plenty of time to examine into the short comings of the home school paper, in order that it could be improved.

I, for one, feel that the Press Association meeting was a long step in the right direction. If the high schools of our state are to mean anything they must put a stop to the mere carrying of names on the roll, and must encourage this thing of real thinking on real problems. Only as we train the new generation to do careful thinking on their life work and their immediate difficulties, are we doing what we ought to do.

Tennie Dora Brooks spent the week end in Hereford.

Just What About Band Uniforms? Asks Student

Several different students have been asked their opinions of the band's getting uniforms. The following answers were given:

Mickey Schmitz said: "I think it's the best thing that ever happened."

Edith Steen enthusiastically declared: "I think it a grand idea. Think of all the places they could use them. Gosh, I hope they can."

Hampton Lisle scowlingly expostulated: "Naw, I think they could use the money to buy a printing press for The Eagles Tale."

Soberly Bill Cone stated: "It would greatly improve the appearance of the band if they got good looking suits."

The editor of The Eagles Tale Robbie Foster: "I think it is grand."

Helen Hardman simply said: "Keen."

Armor Lee Greenfield concluded the interview: "I think it would be nice. The band is improving all the time, and if they had uniforms, they could be in all the pep squad stunts."

Canyon Debaters Win From Friona And Amarillo

The Canyon girls' debate team, composed of Armor Lee Greenfield and Irene Thompson, debated the Amarillo girls' team at Amarillo Wednesday night. Canyon, debating the affirmative, lost. The boys did not debate.

Both the boys and girls teams debated Friona Tuesday night. The boys debated the affirmative and won. The girls were also victorious; however they debated the negative.

Carruth, Murrell, Smith Give Talks on Citizenship

"Teaching Citizenship in the School" was the subject of the Faculty Study Club program given in the home economics room last Thursday night by Supt. I. B. Carruth, Miss Annis Smith, and Mrs. Stella Murrell.

Mr. Carruth began his talk with a discussion of the question "Why do we Teach Citizenship?" He gave the opinions of several prominent leaders on the purpose of schools.

An article by John Dewey, an advocate of curriculum revision, was read by the superintendent.

He quoted a prominent Jewish Rabbi as saying "Pupils should be taught to think less of themselves and more of the group."

Miss Smith addressed the faculty on the subject of "The Teaching of good citizenship Through Physical Education.

"Good citizenship does not suddenly descend upon one at the age of 21," Miss Smith began. She voiced her opinion that games are the best form of physical education and tend to develop honesty.

"Teaching children what is right is usually the least of the task. In many instances if children behaved as well as they know how, their parents wouldn't recognize them," continued Miss Smith.

"Through play the child should acquire such habits as courtesy, thoughtfulness of others, courage, self-restraint, self-control and self-reliance," said Miss Smith.

Mrs. Murrell, teacher in the primary grades, gave a discourse on "Development of Leadership and Democracy Through Organized Play and Contests in the Elementary School." Mrs. Murrell expressed her belief that a teacher must possess character and personality to win and hold the approval and affection of those he or she is attempting to influence, and stated "the school must stand for more do's than dont's."

A short round table discussion of local school problems in teaching citizenship followed the talks.

Vena Mae Moon and Mary Ellen Foltz of Dalhart were guests of Robbie and Rubye Foster Friday night.

Sarah Bonnie Bourn is back in school after being out about five weeks with the whooping cough.

Miss Rosa Cash of Laverne, Oklahoma visited in her home here last week end.

Jewell Chambers went to Hereford during the week end.

PRAISE FOR STAFF

Never has there ever been as much co-operation among the members of an organization as there has been during the preparation for the meeting of the P. H. S. P. A. Members of The Eagles Tale staff have worked continuously since about two weeks ago.

Co-operation in an organization makes for success for the organization. The staff was called on for various enterprises. It works well. It is glad to work. Nearly every member of the staff is either an officer of some organization, makes some of the best grades, or is respected for his earnest efforts in working when asked.

This success of the staff shows that those who have plenty of work are more than glad to work some more, and those who don't work never are willing to work. They are too busy.

Work is the way to success.

ADVANTAGES OF FAILURE

Failures have their advantages. Some students don't see them but they are there.

If a scholar takes some course he thinks is a snap and doesn't ever crack a book, he is liable to get a jar at the end of the course.

It will be to his advantage, however, because the student is bound to have missed the most important part of the course. In taking it over he will study more and try to learn a few of the things he missed.

So don't you students want to break a teacher's neck if she fails you because it is for your own good.

FOUR STUDENTS WORK IN COUNTY LIBRARY

Four students of Canyon High School, Lela Bell Johnson, Lorine Bessire, Rubye Foster and Lena Wade Jennings, will be employed in the County Library as assistant librarians.

Lela Bell and Lena Wade will work on Mondays, Wednesdays and Fridays, while Lorene Bessire and Rubye Foster will work on Tuesdays, Thursdays, and Saturdays.

Grade School Has Travel Program; Spelling Bee

The home room in the grade school had a travel program last Monday, Tuesday and Wednesday. Each pupil told of the travels he had taken. They are now planning programs for Arbor Day.

Another important incident of the grade school is that Martha Frances Campbell and Betty Jo Foster won in the spelling contest held for the fourth and fifth grades.

Spring Calendar

March 27—Debate with Hereford.
March 30—Debate with Lubbock.
April 5-6—Six Weeks Exams.
April 10—Stunt Night.
April 19—School Exhibit.
April 19—P. T. A. Meeting.
April 20—Regional Track Meet.
April 27—Spanish Banquet.
April 27—Extemporaneous Speaking with Hereford.
April 29—Second Year Home Economics Style Show.
May 4—Junior-Senior Banquet.
May 11—Senior Play.
May 17-18—Final Exams.
May 18—Seventh Grade Graduation.
May 20—Baccalaureate Address.
May 21—Commencement Exercises.

Ruth Greenfield and Ruth Smith ex-students, now teaching at Vega, spent the week end at their homes.

Katye B. Lowe, an exstudent of C. H. S., spent the week end at her home.

Ray Miller is out of school with slight injuries resulting from a motorcycle accident.

Billy Patton of Hereford spent the week end with his cousins, Leslie and Hampton Lisle.

Zita Breezes

P. T. A. Saturday night was in charge of the men of the community. After an interesting program, refreshments of ice cream and cake were served.

Mrs. Bertha Gowdy spent several days of last week in Fort Worth and Mineral Wells.

Bobby Fulton spent Friday with Louis and Joe Vern Hales.

A large number from this community attended the annual dairymen's picnic in Canyon Friday evening.

Miss L. E. Stewart spent Sunday afternoon in the C. C. Stewart home.

Mrs. D. C. McCormick attended a meeting in Canyon Saturday afternoon.

Mrs. John Moody was elected president and Mrs. Bailey McCormick secretary of Zita P. T. A. for the coming year.

A GAS WATER HEATER

MUST PASS RIGID TESTS

To Merit The Testing Laboratory Blue Star Seal!

In the photograph above a testing expert in A. G. A. testing laboratory is testing a new automatic water heater to see if it meets the Thermal Efficiency requirement.

The automatic gas water heater does its work so quietly and well that its very existence is forgotten days at a time by the entire family. Its principle is, of course, a regular cycle of water temperatures. When the maximum temperature of the water is reached, the thermostat turns off the gas, and automatically turns it on again when the temperature drops to the correct minimum. The very fact that it is automatic, silent, and hidden makes it particularly important when you purchase a new one, that it meets the exacting requirements of the American Gas Association testing laboratories for construction, performance and safety.

These requirements, though, do not necessarily add to the manufacturing and selling cost of the water heater you buy; and hence you can find a wide selection of models possessing the BLUE SEAL, at popular prices. This is likewise true of all other gas appliances . . . so that you do not need to feel that because you are buying a low priced appliance, you cannot expect to have a model with the BLUE SEAL affixed to the side or back of it.

Good Gas With Dependable Service

Jowell Items

The following students received the highest grade in his class this month: Richard Dietz, fifth grade; Sylvester Dietz, sixth grade; Wesley Burnam, seventh grade; Viola Dooley and Dita Dietz, eighth grade.

Melvin, Clarence and Wilbur Leavitt spent Monday in the Sims home.

The athletic events of the county meet were postponed until next Saturday, March 31.

Frank Allen and family are moving to the I. W. Scott place this week.

Mr. and Mrs. C. P. Robertson visited in the Owen Scott home Sunday afternoon.

Tom Holman spent Sunday with J. J. Leavitt.

The following were dinner guests in the E. C. Robinson home Sunday: Mr. and Mrs. Landrum and daughter Jimmie Lee, Mrs. Songe and daughter Robbie, and Mr. and Mrs. Dodson.

The Jowell Sunday school has arranged an Easter program for next Sunday at the school house, everyone is invited to be present.

Abbie Leavitt visited with the Smith children Sunday.

Mr. and Mrs. C. P. Robertson were visitors in the M. W. Dooley home Sunday evening.

Clarence and Le Roy Leavitt spent Sunday afternoon with Mr. and Mrs. Wesley.

Wayside Items

Sleet began falling Saturday night, and by Sunday noon, snow was falling. Monday it was estimated we had a 4-inch snow, mantling the Panhandle.

Rev. N. S. Daniels, wife and three sons were with us Sunday, gave us a missionary sermon at the noon hour, weather so inclement night services were called in. They had dinner at the Sluder home, calling on Mother Carter before returning to Vigo Park. No appreciable change in her condition. Joe H. Smith, with whom she lives, plans to move soon near Silverton.

Work and Play Club met Thursday afternoon with Mrs. Bessie Lane. About 18 members came and as usual had an enjoyable time. Tasty refreshments were served by the hostess after the business session was over.

Mrs. Jack Foster and sons have had a serious spell with measles.

Mark Wesley of Clovis, N. M., is spending some days with his mother at the John T. McGehee home.

Mrs. Macie LaVerne and son, Nola Mac, are visiting at the paternal John McGehee home.

W. R. Franklin and wife, Roy Franklin and wife and babe, made a trip to Amarillo Tuesday.

Mesdames Clarence Helms and Bessie Lane motored to Tulia Tuesday for dental work.

John T. McGehee and sister, Mrs. Ida Sluder, went to Canyon Tuesday. He went to Amarillo and brought back a windmill.

SAMPLE BALLOT

(Mark your ballot March 31st)

FOR—The sale of beer containing not more than three and two tenths per centum (3.2) alcohol by weight.

AGAINST—The sale of beer containing not more than three and two-tenths per centum (3.2) alcohol by weight.

Fairview Breezes

A nice snow fell Saturday night and Sunday. Enough moisture to help the crops.

Marion Tucker died suddenly in his home Sunday. The people of the community express their sympathy for the bereaved family.

Mr. and Mrs. J. M. Wesley went to Plainview Thursday to be with their daughter, Othel, while she had her tonsils removed, returning Friday, bringing Othel and Elvin home with them.

Miss Rose Miller spent the week end in the J. W. Wesley home.

Miss Annie Washburn spent the week end at home.

Lola May Wesley has the measles.

Miss Pat Patterson spent the week end with home folks.

Mr. and Mrs. E. M. Wilson and boys spent Sunday in the J. W. Wesley home.

Earl Wesley made a business trip to Amarillo Friday.

Mrs. C. M. Rogers returned home from Canyon Friday, where she had been helping attend Leverne Davis, who has been very sick with measles and phneumonia.

The little girls of Mr. and Mrs. Albert Wesley have been on the sick list.

Miss Shaw is visiting her sister, Mrs. Charley Odom and Letha Shaw.

Mrs. J. W. Wesley and Arlen Ray is spending the week in Plainview with Elvin and Othel Wesley.

Johnson Items

Mr. and Mrs. Clarence J. Bauer spent Sunday with Mr. and Mrs. J. L. Brooks, Jr.

Church services for the community will be held Sunday, April 1, in Happy at the usual meeting place.

Mr. and Mrs. J. C. Dollard of Pampa, former residents of the community and parents of Mrs. I. L. Bauer, were in a car wreck on the road to Amarillo Sunday. They were accompanied by their children. Mr. Dollard, who suffered serious bruises about his shoulders and neck, and Mrs. Dollard, who suffered injuries in her back, were taken to St. Anthony's hospital; however the children were brought to the I. L. Bauer home. Mr. and Mrs. Bauer took them to their home in Pampa Monday.

Ardelle Spiser has been sick for the last few days and has missed school. The E. J. Bauer children were also on the sick list over the week end but are reported to be feeling better now.

Mrs. Bill Goettsch has been in bed with the measles. She is reported to be resting well.

Mrs. E. J. Bauer attended Council Saturday.

Mr. and Mrs. J. L. Brooks, Jr., spent Thursday evening in the Clarence J. Bauer home.

Mr. and Mrs. C. W. Bauer and family spent Saturday in Amarillo.

Commissioner J. J. Bauer was in Canyon on business Saturday.

Mr. and Mrs. Clarence J. Bauer and Mrs. Vearl Iverson were callers in Amarillo Saturday.

It is rather tough on the groom at a wedding to have the careless newspaper to refer to some other hick as the best man.

You can generally tell a bungalow from a garage by the difference in the doors.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Refuse "something just as good", for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M.Co.

FIRST CHURCH OF CHRIST SCIENTIST

Services every Sunday at 11 a. m. and Wednesday at 8 p. m., when experiences, testimonies and remarks on Christian Science are given. Sunday school meets at 9:45. All under twenty years of age are invited to attend these classes. Subject for Sunday, "Reality."

A reading room is maintained in the church from 3 to 5 every Thursday and Saturday excepting holidays, where the Bible and authorized Christian Science literature may be read, purchased, or borrowed. The public is cordially invited to attend these services and to visit the reading room.

We hear a lot today about budgets. In the family budget any element of cost receives more than careful scrutiny. The average cost of electric service in the family budget evidences a surprisingly low cost in its relationship to the total. Especially is this true when the features of comfort, health and convenience are considered.

Incidentally the dependability of electric service is an item of value not to be overlooked.

(Continued from first page)

lic, not the public his servants.

A judge should have a thorough general education and should be well informed and experienced in the law. Above all, he should be a student of the law. No man can become or remain a good judge unless he is a diligent student. Lawyers work hard to prepare their cases for trial, and the judge ought to be well enough informed that he can recognize the law when it is presented to him. This requires constant and diligent study. It is not a play job.

A judge should conduct his court in an orderly and business-like manner. He should be punctual, and should require all parties concerned with the court to be punctual. There is too much delay, too much waste of time. By a proper arrangement and handling of his docket he can spare others much inconvenience and can save the public much money. Delay often defeats justice, and it is terribly expensive.

In announcing my candidacy, I deem it proper to state certain facts that may assist the voters of the district in passing on my qualifications for the office I seek. I was born in Texas, educated in Texas, and have lived in Texas all of my life. I am 43 years old, and have lived on the Plains for nearly 27 years. I am married and have two little boys whom I hope to raise to be good men and useful citizens. I taught school several years, primarily to put myself through college. I am a graduate of the University of Texas, of both the Literary and the Law departments. I served two years in the United States Army during the World War. I enlisted sa a private and was commissioned overseas. I have had thirteen years experience as a practicing attorney. I served four years as County Judge of Floyd County before moving to Amarillo. In 1931 I was appointed Judge of the County Court of Potter County at Law, was elected for a second term without opposition, and served until the court was discontinued for economic reasons soon after I had begun serving my second term. Thus I have had six years actual experience as a trial judge in two different county courts, where the work is practically the same as in the district court. All who have been in attendance in my courts know that I have conducted them in a business-like manner, with an eye singly to the prompt administration of justice, and with fairness and consideration for all. I invite an investigation of my record as a judge and in every capacity in which I have served. I solicit the vote of every voter in the district, and, in case of my election, I promise my unqualified service.

Very respectfully,
E. C. NELSON, JR.

Dr. Joe A. Hill Tells Rotary Club of W. T. Growth

Joe Hill was speaker Tuesday at the luncheon of the Rotary Club, outlining some of the accomplishments of W. T. during the past 23½ years since the College was opened in 1910. The fight made to reduce the institution to a junior college was the basis of the remarks in order that members of the club might better understand the need for keeping it as a senior college.

When the college opened as a normal school it had only two years work, with a large sub-college attendance. In 1918 the four year course was adopted, and in 1930 the masters work was added. Since the adoption of the four year course, there has been a steady increase in college attendance. In 1918 there were 214 in college training. Today the attendance has reached 928 and will probably go to 1,000 with the beginning of the next nine-weeks period.

The school opened during the drouth of 1910-12; then came the fire of March 25, 1914, which destroyed the first building; then the war of 1917; the resignation of Dr. R. B. Cousins in 1918; the opening of Tech in 1925; the opening of the Amarillo Junior College in 1929; the legislative fight in 1931; the present depression and drouth. In spite of all these handicaps the college continued its growth. More Masters degrees were granted last year than by several Texas colleges combined; as many B. A. degrees as Vanderbilt, which is considered one of the strong colleges of the South.

Speaking of the recent plan to reduce W. T. to a junior college, Dr. Hill condemned it as only another plan to kill the institution. "If the state reduces the cost of education, it must reduce the number who attend college. To move every student in W. T. to the University would not lower the cost to the state."

Dr. Bob Neblett was introduced to the club as a new member.

School Census To End Saturday in All the Districts

The annual scholastic census will end on Saturday of this week, and reports will be made to Austin as to the number enrolled during the coming month.

Andy Walsh is completing the census in the Canyon Independent School District, while the trustees in the various school districts are taking the census.

If any children have been missed in the enumerators in Randall county, the parents should report this fact at once since each child missed will deprive the district of $16 state apportionment for the coming year.

CCC MAN ARRESTED FOR $300 EMBEZZLEMENT

L. M. Butler, former CCC worker at the Palo Duro State Park, surrendered to the sheriff of Dallas county Monday and plead guilty to the theft of $300 from the exchange of Co. 1829. He left camp about six weeks ago.

Charges were filed against him in Potter county on complaint of Captain J. J. Hansey, and he is being returned for trial.

Lakeside News

The women of this community will present a one-act comedy, "You're a Cuckoo," Friday evening, March 30, at 7:15 p. m. No admission. Everyone is invited to attend.

A joint Easter Egg hunt will be held with the Zita P. T. A. Sunday afternoon at the Upchurch place.

The following from this community attended the Dairyman's banquet Friday night: Mr. and Mrs. Tom Lair, Mr. and Mrs. Albert Byars and sons, Harold and Wayne, L. T. Campbell, Mr. and Mrs. J. E. Dickinson and family, Mr. and Mrs. Ed Weeks, Lavert Avent, Mr. and Mrs. D. N. Blanton, Mr. and Mrs. Ralph Jones, and Mr. and Mrs. Bud Owens.

Mr. and Mrs. Albert Byars and sons, Harold and Wayne, were in Canyon Saturday afternoon.

Bud Owens was in Amarillo on business Friday morning.

Misses Gwen, Gene, and Fern Byars attended the show at Canyon Friday night.

Mr. and Mrs. W. L. Avent were in Amarillo Saturday.

Mr. and Mrs. L. T. Campbell were in Amarillo Saturday on business.

Mr. and Mrs. L. B. Hammond and daughter, Imogene, visited Mr. and Mrs. R. T. Krilling Sunday.

Geo. Schneider was in Amarillo Saturday on business.

Mr. and Mrs. Albert Byars visited Mr. and Mrs. Meadow Sunday.

W. L. Avent visited Frank Garrett Sunday morning.

Mr. and Mrs. J. C. Price and Mrs. L. B. Hammond and daughter, Imogene, visited in Amarillo Saturday.

Bonds to Replace Cash on Future Loans on Land

G. G. Foster, secretary-treasurer of the Canyon National Farm Loan Association, received word today from Wm. I. Myers, Governor of the Farm Credit Administration, Washington, D. C., that Federal land bank loans and land bank commissioner's loans will be made in the future through the Federal land bank in bonds of the Federal Farm Mortgage Corporation, which bonds are guaranteed by the United States Government both as to principal and interest, which will be at the rate of 4½ per cent. per annum for the bonds to be issued at this time. These bonds will take the place of the cash distribution in the disbursement of the unclosed loans previously approved by the Federal land banks.

The bonds of the Federal Farm Mortgage Corporation, according to the statement of Governor Myers, will have behind them not only the unconditional guarantee of the Federal Government as to both principal and interest, and the capital of the Federal Farm Mortgage Corporation amounting to about $200,000,000, but also the consolidated bonds of the Federal land banks issued in exchange for the bonds of the Federal Farm Mortgage Corporation and the mortgages accepted by the land bank commissioner as security for loans.

Governor Myers assured Mr. Foster that the Federal Farm Mortgage Corporation bonds will be an attractive investment. "They will be as readily marketable as bonds of the United States Government and they will be quoted in all of the principal markets," he continued. "Holders who have to dispose of these bonds should not sell them without first ascertaining their real market value."

The Governor particularly stressed the fact that country bankers probably will be large investors in these securities since the creditors of farmers who are being refinanced may not all be in the position where they can hold the bonds so acquired and will find it necessary to sell them. Mr. Foster states that these bonds, which will be tendered to farmers' creditors in payment of the refinanced indebtedness, are "exempt from all Federal, State, municipal and local taxation, except surtaxes and estate, inheritance and gift taxes. They are lawful security for fifteen-day borrowings by member banks of the Federal Reserve system. They are also lawful investments for all trust, public and fiduciary funds of which the deposit or investment is under the authority or control of the Government. The payments of the interest on these bonds and the repayment of their principal are guaranteed by the United States, which means that if the Federal Farm Mortgage Corporation should ever be unable to meet the payments on the bonds, the Treasury will assume such payments.

"These bonds will be issued in denominations of $100, $500, and $1,000. However, amounts less than $100 will be disbursed in cash. For example, a loan of $965 would be made in a $500 bond, four $100 bonds and the rest in cash. In addition, to provide for certain debts, such as taxes which cannot be paid in bonds, cash covering the required amounts will be provided.

"Loans which have been applied for and approved, but on which the cash has not been paid out, as well as those approved by the bank in the future, will be financed on the above basis. This arrangement in no way disturbs or alters the other provisions of the loans. The interest rate on new loans will continue to be 4½ per cent for the emergency period when made thru a national farm loan association and 5 per cent when made directly by the bank."

Last Week For Making Payments of 1934 Car Tags

Owners of automobiles which are not equipped with 1934 license plates will find themselves in a serious predicament next Monday morning.

In the first place they will be subject to arrest and a fine for operating their car without the proper license tags. In addition, they will be taxed a penalty of 20% for not buying the plates before the first of April.

It is expected that a rush will be on at the office of Tax Collector R. N. Barnett during the week end as the payment of car tags has been light this year.
